Should any recommendation coming to the session from a ministry committee involve financing, the recommendation should indicate in the report the amount involved, whether it is a budgeted or non-budgeted item, and whether the money is available. Appendix B: WEDDING POLICY AND FEE SCHEDULE

(Affirmed 09-24)

First Presbyterian Church Kerrville

1.0 WEDDING POLICY

The congregation, Session, and staff of First Presbyterian Church welcome those planning to unite in marriage, and we rejoice that you have chosen to establish your marriage relationship in covenant with God and that you wish to celebrate this covenant in a service of worship.

Marriage is a divine institution, established by God in creation and blessed by Jesus, his son, at a wedding in Cana of Galilee.

The place where your wedding will be celebrated is not a wedding chapel, but a church, a holy house of God set apart and hallowed. When you choose the First Presbyterian Church for your ceremony, you acknowledge that the wedding service is first and foremost a service of the church and a regular offering of worship.

“Marriage is a gift God has given to all humankind for the well-being of the entire human family. Marriage involves a unique commitment between two people, traditionally a man and a woman, to love and support each other for the rest of their lives. The sacrificial love that unites the couple sustains them as faithful and responsible members of the church and the wider community”. (Book of Order W-4.0601)

1.1 PASTORS

Contact with a pastor on the church's staff shall ordinarily be made at least 60 days in advance of the wedding. The pastors of this church are always happy to officiate at the marriage service when their schedules permit, where there is no impediment to the marriage, and where there is serious intention to establish the marriage on Christian principles. “If they meet the requirements of the civil jurisdiction in which they intend to marry, a couple may request that a service of Christian marriage be conducted by a pastor in the Presbyterian Church (USA), who is authorized, though not required, to act as an agent of the civil jurisdiction in recording the marriage contract. A couple requesting a service of Christian marriage shall receive instruction from the pastor, who may agree to the couple's request only if, in the judgment of the pastor, the couple demonstrate sufficient understanding of the nature of the marriage covenant and commitment to living their lives together according to its values. In making this decision, the pastor may seek the counsel of the Session, which has authority to permit or deny the use of church property for a marriage service.” (Book of Order W-4.0602)

1. Under extenuating circumstances, such as those living out of town or in military service, exceptions for the 60-day notice will be made if facilities are available on the day desired, but even in such cases a minimum of thirty days' notice is required. Counseling of the couple must still be arranged with the pastor who will officiate.

2. “Nothing herein shall compel a pastor to perform nor compel a Session to authorize the use of church property for a marriage service that the pastor or the Session believes is contrary to the pastor's or the session's discernment of the Holy Spirit and their understanding of the Word of God”. (Book of Order W-4.0605)

3. All couples wanting to be married in our church must first:

- ✓ Talk with one of our pastors to get approval;
- ✓ Complete the Wedding Application/Reservation form Table B.1;
- ✓ Pay facility deposit to book the wedding;
- ✓ Complete the counseling program prescribed by the officiating pastor;
- ✓ Receive approval of the worship committee and Session to use First Presbyterian Church property for the wedding ceremony.

4. A pastor on the staff will serve as the officiating minister. The service is under the direction of the pastor(s) and session of First Presbyterian Church. Guest pastors may be invited to participate in the service; however, the guest pastor must be approved by the officiating First Presbyterian Church pastor and the session. The guest pastor will participate at the discretion of the officiating First Presbyterian Church pastor.

1.2 WEDDING COORDINATOR

The wedding coordinator of First Presbyterian Church is required for all church weddings, except for simple weddings with less than 25 people attending and no rehearsal. This person will assist the pastor and the bridal party with arranging details for the wedding. This person will be of help in advising the couple and the family of church policy, in planning the rehearsal, and in supervising and coordinating the wedding and reception. The wedding coordinator will assist all participants by remembering and following through on details. The wedding coordinator will assist in all efforts to ensure a safe and successful wedding and wedding reception. The wedding coordinator will make contact as soon as the wedding date has been set at the church office. Church members will pay fees for the wedding coordinator.

1.3 WEDDING SERVICE BULLETIN

Some couples choose to have a bulletin for their wedding service, giving the order of worship and listing all the participants. There is no charge for this bulletin. Couples requesting a bulletin shall provide all relevant information to the pastor NO LATER THAN TWO weeks prior to the wedding.

1.4 APPLICATION FOR USE OF CHURCH'S FACILITIES

The dates for the use of the church facilities should be cleared with the pastor and the church business administrator so that reservations may be entered on the church calendar. No weddings, rehearsals, or receptions, at the church, may be scheduled for New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Eve, Christmas Day, Holy Week, Easter, Sunday mornings or Sunday evenings. Weddings will ordinarily not be scheduled during Advent, Lent, or during other special occasions in the life of the Church. If the reception is to be held in the Ryan Hall or the Family Life Center, the church business administrator should also be contacted for arrangements and clearing of the dates. Once the dates have been cleared on the church's calendar, an application for the use of the church's facilities for a wedding must be filled out and submitted to the office. The Worship Committee will be notified of the wedding for its approval. This application may be obtained from the church office.

1.5 MUSICIANS

Musicians participating in the wedding service will normally be members of the music staff (or choir) of First Presbyterian Church. It is recommended that the church organist/pianist be employed for the wedding, and qualified soloists can be recommended by the pastor or music staff. All arrangements for organists, singers, other musicians, and the selection of music shall be made in consultation with the pastor of this church and the organist.

If the church organist/pianist on staff is to be employed for the wedding, he/she needs to be contacted when the wedding date is approved and before counseling begins with the pastor. It should not be assumed that he/she will automatically be available! The organist and any soloist will be paid separately by the family at least 14 days before the wedding. See schedule of fees Table B.2.

An appointment will be made to discuss and select the music for the wedding. Music for the wedding service should be to the glory of God, who sanctifies marriage. The church organist/pianist will assist in selecting appropriate music for the wedding service.

A vocal soloist or other instrumentalists can add a special touch to any wedding. The approval from the minister and the organist/pianist should be acquired before any arrangements are made. All solos must be of a sacred nature and be approved by the pastor. The staff can also assist in securing a qualified guest soloist, if need be.

1.6 CELEBRATION OF THE LORD'S SUPPER

Communion is not traditionally a part of the marriage service of the Presbyterian Church. If the Lord's Supper is to be celebrated, it is necessary to obtain the approval of the Session, not only for the communion, but approval of the presiding pastor as well. Two First Presbyterian Church Elders must be present to prepare and serve the elements. It is suggested than an option to serving communion at the wedding ceremony would be to serve at the wedding rehearsal, with the above requirements met.

1.7 DECORATIONS

Flower decorations must be in place three hours before the wedding begins.

A beautiful sanctuary for worship requires only simple decorations, and, therefore, flowers and decorations must be in keeping with the dignity of this church. Nothing damaging to the building or the furniture will be permitted. This includes thumbtacks, tape, nails, screws, etc. No decorations allowed on the pews. The communion table in the Schreiner Chapel may be moved from the chancel area with the pastor's approval. The communion table in the sanctuary may not be moved. A kneeling bench and two floor stands and vases, all fitting with the décor of the sanctuary, are available at no charge.

The bride will furnish candles, of a dripless variety. Protective covering (Saran wrap, waxed paper, or plastic) shall be used under each candelabrum and unity candle (if used).

Candles/candelabras are not permitted on the carpet or rugs. If the bride/groom desires to leave the flowers for the Sunday worship service, she/he should decide with the church business administrator well ahead of the wedding date.

The piano in the Sanctuary may not be moved. If the piano in Schreiner Chapel is to be moved, it must be approved in advance by the church organist. It is the responsibility of the bride's family to arrange with the church business administrator the moving of the piano. The piano must be returned to its proper place immediately following the ceremony.

Any equipment belonging to the florist and decorations of any kind must be removed from the sanctuary immediately following the ceremony but not until all guests have vacated the room. Only the wedding coordinator may change the paraments on the pulpit, the lectern and the frontal cloth on the communion table.

1.8 KEEPING A RECORD OF THE WEDDING

Photographs - Wedding pictures are an important part of the occasion and the church and the pastor(s) want to cooperate. There are some restrictions that the photographer must abide by so that the wedding service will not be interrupted or the people distracted. The photographer should be informed of these restrictions.

1. At no time and under no circumstance will flash photographs be taken, either by a professional photographer or by guests, while the ceremony is in progress. Pictures of the bride and parents may be taken in the narthex (foyer) of the sanctuary, but not after they are in the doorway of the central aisle. The photographer may not be in the aisle during the processional or distract in any way from the worship service. A limited number of time exposures or pictures taken without flash may be taken from the balcony, provided there is no noise or other distraction. Pictures of the wedding party may be taken before or after the wedding service. Flash and lighting equipment may be used at that time and during a reception in the Ryan Hall, Ryan Court Yard or Family Life Center.

Pictures may be taken in the sanctuary before the service, but must be completed one hour prior to the beginning of the wedding.

2. Videotaping - The service may be videotaped without the use of additional lighting. The service of worship must be free of distraction and, therefore, the following restrictions apply: Only one video camera may be used. The person selected to videotape the ceremony must be present at the rehearsal to find the proper place to stand (or sit) to get a good picture out of view of the congregation. . The pastor or Wedding Coordinator will assist the person in finding an appropriate location. The video photographer will enter the chancel from a side entrance at least twenty minutes before the start of the ceremony. Other 'record keeping methods or live streaming' of the service may be discussed with the Wedding Coordinator or church business administrator.
3. Tape Recording - If a tape recording of the ceremony is required, please decide with the Wedding Coordinator to assure proper (out of sight) location of equipment.

1.9 MARRIAGE LICENSE

A marriage license is required before the ceremony can be performed. In Texas you need to secure a marriage license at least 72 hours before the wedding. A license may be secured from the local county clerk or from the county of your choice. The marriage license should be delivered to the presiding pastor at the time of the wedding rehearsal.

2.0 RICE/CONFETTI/ROSE PETALS

Rose petals, potpourri, etc., stain the carpet and are not allowed unless contained in a basket. Rose petals, potpourri, or paper may be carried in the flower girl's basket or in some other way displayed but, in any case, will **not** be scattered on the carpet or floor.

No rice or confetti or other material may be thrown within the church buildings or on the church grounds.

2.1 WEDDING REHEARSAL

The wedding rehearsal should begin promptly at the scheduled time and should proceed in a quiet and reverent manner. Brides and grooms should insist on members of the wedding party being prompt and dressed in a manner fitting for the rehearsal of a wedding in a sanctuary. No food or drink is allowed in the sanctuary.

No tobacco products or alcoholic beverages are allowed in any part of the church campus at any time. Please inform wedding attendants and family members of this ahead of time. The pastor will not perform the wedding ceremony if the bride(s) and/or groom(s) are intoxicated or ired in any way.

2.2 RECEPTION

Ryan Hall, the courtyard, and the Family Life Center may be used for the reception. The courtyard and lawn behind the educational building and chapel may be used for the reception in good weather. Kitchen facilities, including punch cups and dessert plates, are available without charge to members. Both members and non-members alike are required to place a \$150.00 deposit with the church office 30 days in advance of the wedding for use of the kitchen facilities and equipment. The deposit will be returned if there is no breakage or damage to equipment. Cakes, punch, decorations, including the napkins and tablecloths, are furnished by the family. Arrangement for the removal of articles brought in specifically for the wedding service or reception is the responsibility of the family. All such articles must be removed on the day/evening of the ceremony. If such articles are not removed, custodial service fees will be applied at the rate of \$40.00\$ per hour to remove the articles and will be deducted from the facility deposit.

2.3 DRESSING ROOMS

The Wedding Coordinator will assign dressing rooms to be used by the bridal parties before the wedding ceremony. Water only will be allowed in the dressing rooms. Wedding dresses and flowers delivered to the church before the ceremony should be in the keeping of some member of the bride's family. The church cannot accept the responsibility for such articles. All clothing, clothes racks, boxes, etc., must be removed from the church's facilities the day/night of the ceremony. The rooms should be left in the condition they were found.

2.4 USE OF KEY

A building key can be checked out from the church office with a **\$30.00 deposit**. The key must be returned to the office on the next working day after the wedding for the deposit to be returned in full.

2.5 DEPOSITS, FACILITY FEES, and When They are Due

The facility deposit of \$200.00 will be paid when the wedding is scheduled and on the church calendar. **All facility fees are to be paid 30 days prior to the wedding**, this includes the kitchen use deposit of \$150.00. All other payments, including to individuals involved in the service, should be delivered to the church office **14 days in advance of the date of the wedding** (see fee schedule).

The facility wedding deposit and kitchen use deposit will be refunded within 30 days after the wedding once the church Custodian has certified to the church business administrator that no damage has been done to the church's buildings, furnishings and kitchen equipment, and that no other lead custodial fees were accrued (see section 2.7).

2.6 LEAD CUSTODIAN

The use of the church's Custodian is required for the necessary duties. The custodial fee rate is \$40.00 per hour and is paid by the church for up to 5 hours of the Custodian's time for wedding services. The lead custodian will:

1. Have the facilities clean, open at the proper time, have lights and air conditioning/heating on.
2. Rehearsal: Unlock sanctuary 15 minutes before rehearsal is scheduled, be present if needed during the rehearsal, and lock and turn off lights, heat/air conditioning, do any necessary straightening and cleaning, etc., following the rehearsal. (*approximately one and a half hours*)
3. Wedding: Unlock facilities three hours before the wedding is scheduled. He will be present and available from that time until after the wedding is over, pictures taken, and florist has removed all items. He will clean the sanctuary and lock up. (*Approximately four hours.*)
4. Reception: The Custodian will be present during the reception to wash dishes and will clean and lock-up. (*Approximately three to four hours.*)
5. Receptions with 100 guests will require one custodial assistant for a flat rate of \$160.00, to be paid by the family. One additional custodial assistant will be required for every 100 guests after that, not to exceed 300 guests as that is the capacity of Ryan Hall.

2.7 OTHER EXPENSES

- Lead custodial support at the rate of \$40.00 per hour if hours go over the required 10 (see 2.6).
- Reception size determines the need for custodial assistance to be paid by the family (see 2.6.5).

- LIABILITY
- The party arranging for the wedding shall be responsible for any damage done to church furnishings or buildings by the wedding party, florists, or photographers.

Revision Notes: 08/23-updated Book of Order Reference, added no weddings on Easter Sunday, changed to 'business' administrator, added no throwing of any materials, updated custodial fee to \$40 per hour, reduced church pay for 10 hours custodial support to 5 hours, added live stream option, some minor wording changes, reformatted Application Table (labeled B.1) and Wedding Fee Schedule Table (labeled B.2), updated wedding fees.

Appendix C – CHRISTIAN FUNERAL POLICY (Rev. 08-23)

Kerrville First Presbyterian Church extends God's ministry to people at all significant times in their lives, most appropriately at death. At your time of loss, we are here to grieve and pray with you, and to affirm the good news of the gospel and the hope of the resurrection.

Please contact the church and its pastors before attempting to set a date for a funeral or memorial service. The church office telephone is 830-257-3310. The FUNERAL / MEMORIAL SERVICE PLANNING FORM (2024) is contained in Attached C.1.

Pastor – It is expected that primary arrangements will be made with the pastor of the church. Requests for participation of a guest pastor to assist in the service must be made to the officiating pastor who, if it is appropriate, will extend an invitation.

Service at Church - Church members are encouraged to use the church for funeral or memorial services at a time when the congregation can participate. For important reasons, it may be held in another place, such as a home, funeral home, columbarium or graveside. (A funeral is a celebration of life with the body of the deceased being present; a memorial service is in remembrance without the body present.)

Arrangements & Communication – Together with the pastor, the family will decide if there will be a place of visitation; whether a reception will follow and whether there will be other services (columbarium or graveside). With the permission of the family, the congregation will be informed of these details by means agreeable to the family.

Planning the Service - In the Presbyterian tradition a funeral/memorial service is considered a service of worship, and will be approached with dignity and joyful celebration. The service should be planned by the pastor, with input from the family for special requests. A typical order of worship will include: prelude and postlude of sacred music; hymns of praise and faith; scripture lessons from the Old and New Testaments; a message; prayers of intercession and thanksgiving; and a benediction. Other elements, such as remarks from family members and friends, may be included. The officiating pastor shall make the final decision on the elements of worship. The church will provide a bulletin for services held at the church.

Service Music and Fees - All music sung or played before and during the service should be appropriate to Christian worship. Unless the family has specific requests, the organist will choose an appropriate program of organ music (15 minutes in length) to be played as a prelude to the service and a postlude at the end of the service.

Any funeral or memorial service hosted at the church that includes music will require the use of our church organist with a fee for non members of \$300, and for members a suggested honorarium of \$200. If a vocal soloist is desired, the suggested honorarium is typically \$100. Sanctuary Choir – Must be approved by the Director of Adult Choirs. A suggested Conductor's honorarium would be \$125.

Checks may be made payable directly to the musicians (either by family or funeral home) or to the church (Please include "organist fee" or other appropriate description on the check.)

If the deceased or next of kin is a church member there is no Pastor's fee for the service. An honorarium or "gift" to the Pastor is left to the discretion of the family. For non-member services the fee for ministerial services is \$300.

Flowers - It is appropriate to use flowers as an expression of sympathy; they should be limited in order that they do not distract from the purpose of worship. In the sanctuary, two balanced floral arrangements or one central spray may be placed. Additional flowers may be placed in the narthex, in the Neal garden or in Ryan Hall.

Pictures & Photography – It is not appropriate to display pictures of the deceased in the sanctuary during the worship service. A small picture may be displayed in the Narthex. Non-flash photography is permitted from a stationary position behind the worshipping congregation, preferably the balcony. Photo displays of the deceased are encouraged in Ryan Hall for the reception. For streaming- video- photography, check with the church office about equipment and set-up..

Reception – If a reception for the family of deceased church members is planned it will be provided by the Church.

Casket/Cremains - The closed casket/cremains of the deceased may be present for the service, and shall arrive at least 45 minutes prior to the announced start time. If using First Presbyterian Church's columbarium, cremains must arrive at least 24 hours in advance of the service. Do not purchase an urn; because of measurements, it is necessary to use an urn which is provided.

Interment – The officiating pastor is available to lead a brief committal service at the cemetery or in the columbarium courtyard. If the committal is some distance from Kerrville, it is appropriate for a pastor in that community to perform the service. Fraternal, civic, or military rites are to be conducted separately. For veterans, a flag may be folded in the sanctuary.

Memorials – Gifts given in memory of a loved one are welcomed. First Presbyterian Church Kerrville, or a charity of the donor's choice, is a potential recipient of such gifts.

Equal employment opportunity applies to all terms and conditions of employment, including hiring, placement, promotion, termination, layoff, recall, transfer, leave of absence, compensation, and training.

First Presbyterian Church expressly prohibits any form of unlawful employee harassment or discrimination based on any of the characteristics mentioned above. Improper interference with the ability of other employees to perform their expected job duties will not be tolerated.

First Presbyterian Church will endeavor to make a reasonable accommodation of an otherwise qualified applicant or employee related to an individual's physical or mental disability, sincerely held religious beliefs and practices, and/or any other reason required by applicable law, unless doing so would impose an undue hardship upon FPCK's business operations.

Any employees with questions or concerns about equal employment opportunities in the workplace are encouraged to bring these issues to the attention of the Senior Pastor/Head of Staff and the Personnel Chair. FPC will not allow any form of retaliation against individuals who raise issues of equal employment opportunity.

Employees who feel they have been subjected to any such retaliation should bring it to the attention of the Senior Pastor/Head of Staff and the Personnel Chair.

SECTION 2. AT-WILL EMPLOYMENT POLICY

2.1 All employment, except for ordained staff, is defined as "At-Will", which means employment can be terminated with or without cause, and with or without notice, at any time, at the option of either First Presbyterian Church, Kerrville, or the employee.

2.2 Nothing contained in any policy or any other document provided to any employee is intended to be construed as a guarantee that employment will continue for any definite period of time. Written or oral statements made to the employee will not alter this "at- will" relationship.

2.3 No agreement or promise regarding employment is binding on FPC unless it is through a signed contract that has the approval of the Senior Pastor/Head of Staff and the Personnel Committee.

2.4 The requirements of an orientation or training period do not waive FPC's right to terminate an employee given these guidelines.

2.5 Employees, except for installed and ordained staff, shall always remain At-Will employees, and nothing herein shall be construed to alter the At-Will relationship in any other policy or job description.

SECTION 3. EMPLOYEE CLASSIFICATIONS (DEFINITIONS)

3.1 FPC classifies all positions as either exempt or non-exempt in compliance with law and for payroll administration purposes. These definitions of exempt and non-exempt status are based on provisions of the Fair Labor Standards Act (FLSA) and state law and are summarized as follows:

3.1.1 **Exempt** employees primarily include those individuals occupying bona fide executive, administrative, and professional positions under FLSA. They include management, supervisory and/or professional positions.

- 3.1.2 **Non-Exempt** positions do not meet the requirements set forth in federal law and regulations for exempt positions. Employees filling these jobs are subject to the wage and hour provisions of the Federal Wage and Hour Act and must receive premium pay for hours worked over 40 hours per week.
- 3.1.3 In cases where the exempt/non-exempt status of an employee is in doubt, the Personnel Committee will review the position duties and responsibilities against the FLSA exemption tests.
- 3.2 Staff members are hired as Full-Time, Part-Time or Temporary Employees.
 - 3.2.1 Full-Time employees at First Presbyterian Church are those scheduled for 35 or more hours per week.
 - 3.2.2 Part-Time employees are those scheduled for 20 to 34 hours per week. A non-ordained employee of First Presbyterian Church may be employed in more than one part-time position.
 - 3.2.3 Temporary employees are hired to work on a temporary assignment as needed and for a duration of time usually one to six months. A temporary employee may work either temporary full-time or temporary part-time.
- 3.3 For purposes of additional useful identification, there are six groupings of positions based primarily upon job function. Jobs within each of these groupings may be either full-time or part-time.
 - 3.3.1 Ordained positions refer to those jobs subject to terms of call from the congregation, filled by Ministers of the Word and Sacrament, who serve in installed positions, and are exempt status.
 - 3.3.2 Lay positions are all positions that are not ordained.
 - 3.3.3 Professional positions refer to those jobs requiring professional education or training. These positions have exempt status. Professional positions may be filled by ordained or lay persons.
 - 3.3.4 Administrative positions refer to those office, clerical, secretarial jobs that may require specialized training/experience but are not considered professional and are usually classified as non-exempt status.
 - 3.3.5 Custodial positions refer to those jobs concerned with the cleaning, upkeep and maintenance of the physical plant and are usually classified as non-exempt status.
 - 3.3.6 Nursery positions refer to those jobs concerned with the care of children during church functions. These positions may require special certifications and training and are classified as non-exempt.

SECTION 4. JOB DESCRIPTIONS AND HIRING PROCEDURES

4.1 Job Descriptions

- 4.1.1 A written job description describing the major duties and responsibilities of the position, the qualifications required to perform those responsibilities, and the supervisory position to which the selected employee will report will be prepared by the appropriate personnel and/or the Senior Pastor/Head of Staff and reviewed by the Personnel Committee. Job descriptions will be signed by the supervisor, Senior Pastor/Head of Staff, and Chair of the Personnel Committee, and acknowledged in writing by the employee. A copy will be furnished to the new employee prior to joining the First Presbyterian Church staff.
- 4.1.3 The job description will be used to determine/identify the qualifications required for a position. Candidates will be interviewed either by the supervisor of the vacant position or by a panel of interviewers assembled for that purpose. Final selection will be made by the supervisor of the vacancy. All newly created positions at FPC must be approved by the Personnel Committee and the Session.
- 4.1.4 Before employment is finalized, including those for Children's Corner Preschool, both the application and the background check must be reviewed by the Personnel Committee.
- 4.1.5 Job descriptions will be reviewed and updated in even numbered years.

4.2 Hiring of Relatives

- 4.2.1 The employment of relatives (nepotism) in the same area of an organization may cause serious conflicts and problems with favoritism and employee morale, especially if that employee is directly supervised by a relative. In addition to claims of partiality in treatment at work, personal conflicts from outside the work environment can be carried into day-to-day working relationships.
- 4.2.2 Nepotism should be avoided in the hiring process. Where special circumstances exist, the Session may overrule the policy by a 2/3 vote.
- 4.2.3 For the purposes of this policy, relatives include spouse, children, parents, siblings, aunts, uncles, nieces, nephews, grandchildren, mother-in-law, father-in-law, brother-in-law and sister-in-law. A live-in partner is also considered as a relative for purposes of this policy.

SECTION 5. HOURS OF WORK AND PAYDAYS

- 5.1 To comply with federal, state, and local laws, the following hours of work, business hours, work week, and pay periods are described as follows:

5.1.1 **Hours of Work:** The normal business hours for FPC are currently Monday through Friday from **8:30 a.m. – 5:00 p.m.** Because of the special needs of the church (i.e., special services and events, Children's Corner operations, meetings, Sunday School, etc.), hours of operation may vary and may result in overtime for non-exempt employees.

5.1.2 **Work Week:** For purposes of pay the workweek begins at 12:00 a.m. on Monday and ends at 11:59 p.m. on Sunday, unless otherwise designated and approved by the Session.

5.1.3 **Pay Period:** The pay period shall be bi-monthly and generally twenty-four (24) pay periods per year. Paydays are the 15th and last day of the month. If the payday falls on a weekend, the payday will be on the Friday before the weekend.

5.1.2 **Lunch Period:** Each employee will take an unpaid lunch period each day. The time for lunch each day shall be for thirty minutes or one hour as set by the supervisor. An employee who is unable to take a lunch period must report this to his/her supervisor and must report the added time on that day's time card. Accumulating overtime at lunch requires supervisor approval. Employees are encouraged to take lunch away from their desks

SECTION 6. EMPLOYEE COMPENSATION POLICY

6.1 General Policy

It is the policy of the First Presbyterian Church, Kerrville (FPC), to compensate all its employees in a fair and equitable manner in full accord with compensation for comparable job tasks at other area organizations in private and public endeavors. No employee is expected to perform his/her job without reasonable and adequate compensation. Basic guidelines established by the Presbyterian Church (U.S.A.) relative to employee pay and benefits will be followed. Further, it is the policy of FPC to create and maintain an orderly, friendly and cooperative employee environment including the establishment and periodic review of compensation levels based on assigned duties.

6.2 Coverage Policy

Excepting those employees working fully within Children's Corner Preschool, all staff members at FPC are included under this policy, regardless of job status classification (exempt, non-exempt, full time, part time) and job function classification (ordained, lay, professional, administrative, custodial). No independent contractor under contract to FPC, nor any employee of such contractor, is in any way subject to these guidelines.

6.3 Job Pay Rates

6.3.1 Pay rates are established for each staff job authorized by the session. All pay rates recommended by the Personnel Committee should be developed in consultation with the Senior Pastor/Head of Staff. Pay rates are established and approved only by the Session after receiving a pay rate recommendation from the Personnel Committee. In developing a recommended pay rate for an authorized staff job, the Personnel Committee should consider applicable information that is reasonably available. Information utilized may include data published by governmental agencies, PC (USA) sources, and other reliable organizations dealing with church staff compensation. Local employment information and data may also be obtained from the Texas Workforce Commission, Chamber of Commerce, and non-profit organizations as well as for-profit businesses in the local area. Appropriately securing reliable data relating to pay ranges for similar jobs in the local area would also be advisable. The experience record of the prospective employee should also be considered in developing a recommended pay rate.

6.3.2 Re-evaluation of a pay rate may be performed at any time an inequity is indicated, including at the time of the annual compensation review (see below). Such inequity

may result from a significant accumulation of changes in job duties, local area, or national rate changes due to availability of qualified candidates for other reasons, or the realization that the pay rate originally established was in significant error.

6.4 Annual Compensation Review

6.4.1 The Personnel Committee will conduct an annual review of staff pay rates and recommend pay rate adjustments to the Session for approval.

6.4.2 All pay rate adjustments recommended by the Personnel Committee should be developed in consultation with the Senior Pastor/Head of Staff.

SECTION 7. EMPLOYEE BENEFITS PLAN

7.1 First Presbyterian Church Kerrville adheres to all state and federal employee benefits laws and regulations including Social Security, Workers Compensation, and Unemployment Insurance.

7.2 An integrated benefits program is available to eligible employees of the First Presbyterian Church. The program is formally named "Benefits Plan of the Presbyterian Church (U.S.A.)", and is referred to as the "Benefits Plan". The Benefits Plan consists of the Pension Plan, Death and Disability Plan, Major Medical Plan, Optional Dental Plan, Optional Death Benefits Plan, and Retirement Savings Plan. The Benefits Plan is administered nationally by The Board of Pensions of the Presbyterian Church (USA) and is funded with the dues paid by employing organizations throughout the denomination and investment earnings on those dues. Each employee shall receive printed basic information about the Benefits Plan within 30 days of the date of his/her employment. Additional information is available from the church's financial administrator. Inquiries for which accurate answers are not available locally will be referred to the Board of Pensions by the financial administrator.

7.3 Eligible Employees

7.3.1 Ministers of the Word and Sacrament who serve in installed positions (ordained and professional positions as defined by the employee classification definitions) are required by the Book of Order to be enrolled in the Benefits Plan from their date of employment with full participation in all non-optional Plans.

7.3.2 All lay employees of First Presbyterian Church who are employed in full-time positions and work 37.5 or more hours per week, both exempt and non-exempt (as defined by the employee classification definitions), will be enrolled in the Benefits Plan effective ninety (90) days from the date of employment.

7.3.3 No lay employee of First Presbyterian Church employed in a part-time position, or in two or more part-time positions (as defined by the employee classification definitions), will participate in the Benefits Plan. No employee of First Presbyterian Church who is employed in two or more part-time positions can combine the hours worked in such part-time positions to qualify as a full-time employee of First Presbyterian Church who is eligible to participate in the Benefits Plan.

7.4 Major Participant Provisions and Dues

- 7.4.1 All enrolled employees participate in the Death and Disability Plan and the Major Medical Plan. Dues are established by the Board of Pensions. Participating employees will pay a portion of the Major Medical dues. The employee portion will be determined by the Personnel Committee. Installed Teaching Elders will not be expected or required to contribute.
- 7.4.2 During the first three years of employment, an enrolled lay employee does not participate in the Pension Plan. Upon completing three consecutive years of satisfactory employment, an employee enrolled in the Benefits Plan begins participation in the Pension Plan.
- 7.4.3 A part-time employee that becomes a full-time employee is eligible to enroll in the Benefits Plan. Each full year of satisfactory part-time employment completed shall be credited as one-half year of employment in determining the date when the first three years of employment are completed to begin participation in the Pension Plan.
- 7.4.4 Pension Plan dues are established by the Board of Pensions and are fully paid by First Presbyterian Church with a contribution neither required nor accepted from participants.

7.5 Optional Plans –

- 7.5.1 The **Optional Dental Plan and the Optional Death Benefits Plan** are available only to participants in the Benefits Plan and each may be selected by a participant only within limited enrollment periods specified by the Board of Pensions. The dues for these Plans are established by the Board of Pensions and are fully paid by the employee through a payroll deduction with no contribution by the First Presbyterian Church.
- 7.5.2 The **Retirement Savings Plan** is a 403(b) tax-deferred plan and is available to all employees whether in the Benefit Plan or not. Contributions by participants are through a payroll deduction with no contribution being made by the First Presbyterian Church for the first (15) years of employment. After fifteen (15) years of satisfactory employment the First Presbyterian Church will contribute into the plan an amount equal to the employee's contribution up to three (3) percent of the employee's base pay. The church's contribution will be made monthly.

SECTION 8. EMPLOYEE DRESS CODE POLICY –

8.1 Preamble

- 8.1.1 The church's staff members are central to the ministry of First Presbyterian Church. When staff members, both ordained and lay, are on the church campus, or elsewhere acting as representatives of the church, their dress and appearance may form impressions among people with whom they come in contact. These impressions, anywhere on the scale from positive to negative, may affect the way that others believe the staff member is doing their work, and may well extend to how well they believe the church is fulfilling its ministry.

- 8.1.2 Such impressions consequently either help or hinder the effectiveness of the ministry of the church. The intent of this policy is to encourage all members of staff to consider the impressions they make when selecting their attire, as well as how those impressions may affect the ministry of the church.
- 8.1.3 It is important that staff members, and all members of church government, recognize the sensitive nature of dress-related impressions and their effect on the church's ministry. Open, two-way communication and feedback among the staff, and between staff and church government, is essential to keeping this matter in perspective while still recognizing and dealing with problems.
- 8.1.4 General oversight of the implementation of this policy is the responsibility of the Session through the Personnel Committee. Day to day interpretation and compliance monitoring concerning this policy is to be part of the duties of members of church staff with supervisory responsibilities. Individual compliance problems are to be discussed whenever concern about dress may arise. This policy is to be discussed as part of the orientation of each new member of staff, both ordained and lay.

8.2 Dress Code Guidelines

- 8.2.1 Church staff dress should be appropriate for working in a church and should be appropriate for the activity at hand. Generally, staff attire is casual.
- 8.2.2 During worship and other solemn functions nothing should be worn that would distract or draw the congregation's attention away from the purpose of the function. Robes and vestments serve this purpose for ordained staff. At their discretion and as appropriate for the events of the day, ordained staff shall wear business dress or casual.
- 8.2.3 Informal business dress is appropriate for staff members who will be in public contact.
- 8.2.4 Shorts and athletic attire are appropriate for recreational activities. Similar attire or work clothes are also appropriate for working in hot, dirty, or otherwise uncomfortable conditions
- 8.2.5 Uniforms may, at the discretion of appropriate church committees, be appropriate for some staff members. In such cases the uniforms are to be provided at church expense.

SECTION 9. EMPLOYEE REVIEWS

9.1 Performance Evaluations

Performance reviews should be completed annually for each employee by their supervisor. The Personnel Committee is responsible for completing the annual performance review for the Senior Pastor/Head of Staff. The Senior Pastor/Head of Staff is responsible for ensuring annual performance reviews are completed for all FPC staff. The signed and completed reviews should be filed in the respective employee files.

9.2 Exit Interviews

As a best practice, exit interviews should be completed for all employees that voluntarily

separate from FPC. The exit interview is a valuable final stage of an employee's time at FPC. The exit interview helps to ensure an effective offboarding experience and can provide valuable insights into what FPC is doing well and which aspects of the employee experience we need to improve. Insights gained from the exit interview are to be treated confidentially. The Personnel Committee Chair should be notified when an employee gives notification of their intent to separate from FPC. A member of the Personnel Committee will be assigned to schedule a time to meet with the employee to conduct the exit interview. Insights gained from the exit interview will be shared with the Senior Pastor/Head of Staff and the Personnel Committee to address concerns and determine ways to improve the employee experience at FPC.

SECTION 10. EMPLOYEE LEAVE POLICY

(See Children's Corner Preschool Employee Manual for policies for employees working in the Children's Corner Preschool)

10.1 General

Time off work for ordained staff is as provided in the individual's Terms of Call. This policy regarding time off from work applies to other full-time exempt and non-exempt employees. The leave year begins on the anniversary date of the employee's full-time employment with First Presbyterian Church.

10.2 Holidays

Usual holidays for which church office will be closed: New Year's Day, Martin Luther King Day, the Monday following Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the Friday after Thanksgiving, and three work days for Christmas. These are paid holidays for full-time staff only.

10.3 Paid Time Off (PTO) Policy

Paid Time Off (PTO) applies to non-ordained full-time exempt and non-exempt employees. Eligible employees must regularly work 40 hours per week. Non-ordained employees working less than 40 hours per week are not eligible for PTO.

10.3.1 Use and Scheduling of PTO

PTO must be used when taking time off for any reason (sick, vacation, personal), and can be taken in increments as low as one hour. All PTO requests should be submitted in writing to the supervisor. PTO requests to take more than three days off should be submitted in writing to the supervisor at least two weeks prior to the start of the paid time off.

The administrative staff will schedule PTO at different times to ensure the office is sufficiently staffed for church business. All PTO requests must be approved by the supervisor. Supervisors should return the approved or denied request back to the employee within five days of receipt.

It is understandable that unscheduled absences occasionally happen; however, when possible, PTO should be scheduled in advance. If the frequency of unscheduled absences becomes excessive, corrective actions will be taken, up to and including termination.

If the employee works an eight-hour day and needs to take a full day, eight hours of PTO should be requested. PTO is paid at the employee's regular pay rate and is not subject to overtime pay.

PTO starts accruing upon hire after 60 days of satisfactory employment. During the first year, PTO will be prorated and is available to use after six months. The PTO bank will be refreshed and available on January 1 of each new year for full-time employees.

10.3.2 Accrual and PTO Availability

Accruals are based upon paid hours of up to 2,080 hours (40 hours per week) per year, excluding overtime. Full-time employees are eligible for the next level of accrual according to the table below:

Years of Service	Biweekly Period Accrual Rate	Annual PTO
6 months. 1 year	3.5 hours	Up to 10 days (84 hours)
1-3 years	<i>n/a – PTO refilled annually(January)</i>	15 days (120 hours)
4-6 years	<i>n/a – PTO refilled annually(January)</i>	20 days (160 hours)
7+ years	<i>n/a – PTO refilled annually(January)</i>	25 days (200 hours)

Employees cannot borrow hours against their PTO bank; therefore requests to take non-accrued hours are not allowed.

10.3.3 Carryover

PTO is intended to provide paid time off for an employee to recuperate from illness and to provide rest and relief to maintain a fresh approach to one's job. All employees are encouraged to use their PTO prior to the end of the year.

Unused PTO does not accumulate from year to year. Upon request and with the approval of the Senior Pastor/Head of Staff, unused PTO can be carried over into the new year but must be used by March 31. Any unused PTO from the previous year is forfeited after March 31.

10.3.4 PTO Accruals

Accrued PTO will be transferred with the employee in the following situations: if an employee of the Children's Corner Program (CCP) transfers to a job position with First Presbyterian Church (FPC) or if an FPC employee transfers to a job position with CCP.

10.3.5 Resignations

If an employee voluntarily resigns with two weeks prior written notice, the Employee is entitled to earned PTO on a prorated basis up to five (5) unused days, provided that the employee has worked the full previous year (i.e., PTO is not prorated for an employee who has not completed a full year).

10.4 Leave for Ordained and Installed Personnel

Vacation and study leave is provided to ordained and installed personnel per their terms of call, which is approved by the congregation.

10.4.1 Ordained and installed personnel should notify the Personnel Committee in advance when scheduling vacation leave.

10.4.2 Study leave requests should be submitted in advance for approval to the Personnel Committee for ordained and installed employees.

10.5 Parental Leave

All full-time and part-time employees are eligible for a maximum of six (6) months parental leave. For birth, adoption or guardianship of a child, eligible employees may elect up to six (6) months' leave, using either accumulated vacation leave, leave without pay or a combination thereof. A written request for parental leave must be submitted thirty (30) days in advance to the supervisor for approval. If both parents are employed by First Presbyterian Church and wish to use this benefit, their aggregate leave is limited to six months. Any benefit coverage in place continues during parental leave.

10.6 Other Leaves of Absence **With Pay**

At the discretion of the Senior Pastor/Head of Staff, leaves of absence with pay may be given for the following:

- Jury duty (up to two weeks annually)
- Marriage of the employee (up to three days)
- In case of death in the immediate family (husband, wife, parent, parent-in-law, child, brother, sister, grandparent), the employee will receive full pay for absence from the day of the death up to and including the day after burial. This leave should not exceed four working days and must be arranged in consultation with the Senior Pastor/Head of Staff
- Adequate time off for voting will also be given where election hours and work schedules cause a hardship on employees.
- Regular training period in the U. S. Armed Forces (up to two weeks annually)

10.7 Other Leaves of Absence **Without Pay**

A leave of absence without pay may be given for military service performed by an employee with credited service for three months or more. Upon the employee's return, every effort will be made to place the employee in a position of similar level, status, and salary.

SECTION 11. EMPLOYEE LOAN POLICY

Effective September 1, 2013, cash loans from church assets to employees of First Presbyterian Church, Kerrville, Children's Corner Preschool, and the YES Center will be prohibited. The loans to be prohibited include the following:

- Pay day advance loans
- Cash loans from pastor discretionary funds
- Any loans from other funds whether designated or non-designated
- Petty cash loans
- All un-reimbursed financial assistance

SECTION 12. HARASSMENT POLICY

12.1 It is First Presbyterian Church Kerrville ("**FPC**") policy to fully support enforcement of state and federal laws that prohibit harassment. All staff members and volunteers are prohibited from engaging in the harassment of any other staff member, volunteer, church member, or any other person during, or in connection with, employment or volunteer service with FPC. The desired standard of every staff member or volunteer's behavior is one of cooperation and respect for each other. FPC will not tolerate any infractions of this policy by its staff members, members of the congregation, or any outside parties, including visitors, vendors, or suppliers.

12.2 Prevention is the best tool to eliminate sexual harassment in the workplace. Training at FPC will be provided to all staff, session members, and deacons as follows:

- a. Harassment/Boundaries Training: at initial hiring or election and then every two years
- b. Sexual Harassment Training: at initial hiring or election and then once every year

12.2.1 For the purposes of this policy, "staff member," including ordained staff, is defined

as any paid member of staff or any volunteer.

12.3 DEFINITIONS

12.3.1 Harassment is unwelcome conduct that is based on race, color, religion, sex (including sexual orientation, gender identity, or pregnancy), national origin, older age (beginning at age 40), disability, or genetic information (including family medical history). It is unlawful to harass a person (an applicant or employee) because of that person's sex. FPC will take all reasonable steps necessary to prevent and eliminate unlawful harassment.

12.3.2 Harassment becomes unlawful where

- a. enduring the offensive conduct becomes a condition of continued employment, or
- b. the conduct is severe or pervasive enough that a reasonable person would consider it intimidating, hostile, or abusive.
- c. Petty slights, annoyances, and isolated incidents (unless extremely serious) will not rise to the level of illegality. To be unlawful, the conduct must create a work environment that would be intimidating, hostile, or offensive to reasonable people.
- d. Offensive conduct may include, but is not limited to, offensive jokes, slurs; epithets or name calling; Physical assaults or threats, intimidation, ridicule or mockery, insults or put-downs, offensive objects or pictures, and interference with work performance. Harassment can occur in a variety of circumstances, including, but not limited to, the following:

- The harasser can be the victim's supervisor, a supervisor in another area, an agent of the employer, a co-worker, or a non-employee.
- The victim does not have to be the person harassed, but can be anyone affected by the offensive conduct.
- Unlawful harassment may occur without economic injury to, or discharge of, the victim.

12.3.3 Sexual harassment is defined by the Equal Employment Opportunity Commission (EEOC) as any unwelcome sexual advances, requests for sexual favors, unwelcome or offensive touching, and other unwelcome verbal or physical conduct of a sexual nature when:

- a. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, or
- b. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such person, or
- c. Such conduct has the purpose or effect of unreasonably interfering with an individual's job (work) performance or creates an intimidating, hostile, uncomfortable, or offensive working environment.

12.3.4 Examples of conduct or behaviors that contribute to a hostile environment (and, are thereby prohibited by this policy) include:

- a. Unwelcome threats that impose a sexual quid pro quo;
- b. Discussing sexual activities;
- c. Jokes, comments, other offensive and unwelcome behavior based on a person's age,

ancestry, color, creed, marital status, medical condition, national origin, disability, race or religion that creates a hostile, obnoxious, or intimidating work atmosphere or results in the loss of tangible job benefits;

- e. Unwelcome questions or unwelcome comments about another person's sexual activities, dating, personal or intimate relationships, physical attributes, or appearance;
- f. Unwelcome conduct or remarks that are sexually suggestive, or demeanor that shows hostility to a person because of the person's gender (including "kidding," jokes, pranks, teasing, obscenities, obscene or rude gestures or noises, slurs, epithets, taunts, negative stereotyping, threats, blocking of physical movement, etc.);

12.3.4 Harassment also includes actions taken by church members, visitors, guests, consultants, and/or vendors against any FPC staff member or volunteer.

12.3.5 For the purposes of this policy, harassment does not include verbal or written criticism of a staff member's job performance, substantial oversight and/or management of a staff member's work by a supervisor, or the use of offensive language in any manner not directed at another staff member, and/or that does not otherwise constitute language of a nature that creates an intimidating, hostile or offensive working environment, as prohibited by this policy.

12.4 Staff Member Responsibility

12.4.1 A staff member who believes that he or she has been the subject of, or who has witnessed, an act constituting harassment or retaliation prohibited by this policy must immediately take the following steps:

- a. Politely but firmly confront the person doing the harassing. The staff member should state how the staff member feels about the harasser's actions and request that the person cease the harassment immediately.
- b. If the harassment continues or if the staff member does not feel comfortable confronting the harasser, the staff member should report the behavior to his or her immediate supervisor; but,
- c. If the staff member is not comfortable in reporting the behavior to their immediate supervisor, the staff member may report the behavior to any supervisor; or,
- d. If the staff member's immediate supervisor is the harasser or the staff member is not comfortable in reporting the behavior within his/her area, the staff member may report the behavior to the Senior Pastor/Head of Staff or the Chair of the Personnel Committee.

12.4.2 If a staff member is unsure whether behavior constitutes harassment, the staff

member should confer with a supervisor, the Senior Pastor/Head of Staff, or a member of the Personnel Committee. It is not necessary, however, for the staff member to take all of the steps listed above. If a staff member feels that any of the steps would not be desirable or effective because of the circumstances surrounding the harassment, the staff member may make a report directly to one of the supervisors. **In no case will a staff member be required to report such behavior to the person accused of the misconduct.**

12.4.3 Confidentiality: All information concerning a sexual harassment complaint will be treated as confidential. Content of a sexual harassment complaint, whether verbal or written, will not be disclosed except as a part of the investigative process to those who have a need to know or as otherwise required by law.

12.4.4 Filing a Complaint A staff member must file a complaint alleging harassment with any supervisor. The state of Texas allows an employee or complainant 300 days, from the date of an alleged harassment incident, to file a complaint with the Texas Workforce Commission. All complaints will immediately be referred to a supervisor, the Senior Pastor Head of Staff, or a member of the Personnel Committee for investigation. To initiate an investigation, the staff member making the complaint must submit it in writing, specifically setting forth the details of the conduct that is the subject of the complaint, and including the name(s) of any witnesses to the incident. All complaints shall be immediately forwarded to the Senior Pastor/Head of Staff or to the Chair of the Personnel Committee for investigation. To the extent permitted by law, complaints will remain confidential and information about them will be provided only to those persons who need to know in order to achieve a timely resolution of the complaint.

Any retaliation against an individual who has complained about sexual or other harassment or retaliation against individuals for cooperating with an investigation of a harassment complaint is similarly unlawful and will not be tolerated.

12.5 Supervisor Responsibility:

12.5.1 It is the responsibility of all supervisors to ensure that their staff members are adequately informed about FPC's Harassment Policy and that their staff members can work in an environment free from all forms of discrimination, including harassment.

12.5.2 Supervisors need to be aware of the working environment of their subordinates to ensure that the work environment is harassment free.

12.5.3 Supervisors who see inappropriate conduct shall take immediate steps to correct such conduct.

12.5.4 When a supervisor receives a complaint of harassment, it shall be given prompt attention and be reported immediately to the Senior Pastor/Head of Staff or a member of the Personnel Committee.

12.5.5 Supervisors, the Senior Pastor/Head of Staff, and the Personnel Committee shall take steps to ensure that complaints of harassment and the investigation into allegations remain confidential. No supervisor shall release any information concerning such complaints to a third party or to anyone within FPC not authorized to know of the investigation.

12.5.6 When conduct that may constitute harassment, as defined by this policy, is witnessed by or brought to the attention of a supervisor or the Senior Pastor/Head of Staff, failure of that person to act as outlined above may subject him or her to disciplinary action, up to and including termination.

12.5.7 Supervisors must use a great deal of discretion in their social relationships with other staff members, particularly their own subordinates. This is to avoid compromising their ability to function as an impartial supervisor who can treat all staff members fairly. Supervisors should be very prudent and careful in social relationships with their subordinates that may lead to an impression of partiality or bias.

12.6 Investigation and Discipline:

12.6.1 Upon the receipt of a complaint, an investigation of the facts and circumstances of the claim of discrimination, including harassment or retaliation, will be conducted by the Senior Pastor/Head of Staff or designee, or the Personnel Committee. The investigation of a complaint shall proceed with due diligence and be concluded as soon as possible.

12.6.2 When the investigation reveals that the complaint is valid, prompt disciplinary action designed to immediately stop the harassment and to prevent its recurrence will be taken. At a minimum, violations of the FPC's harassment policy will result in a counseling session with the supervisor for anyone who violates this policy. With appropriate prior consultation with the Senior Pastor/Head of Staff and/or the Personnel Committee, the supervisor may also take additional disciplinary action, up to and including immediate termination from employment or, in the case of a volunteer, from volunteer service.

12.6.3 The Senior Pastor/Head of Staff or Personnel Committee will provide a written response to the complainant and appropriate supervisory staff at the conclusion of the investigation.

12.6.4 If the investigation reveals that the complaint is valid, prompt disciplinary action, as approved by the appropriate individuals, will be taken. The immediate supervisor will ensure that the harassing conduct is immediately stopped.

12.7 False Accusations

A staff member or volunteer who knowingly makes a false complaint or statement under this policy is subject to discipline, up to and including termination from employment or, if applicable, volunteer service.

12.8 Appeal to the Personnel Committee:

If the staff member is not satisfied with the decision of the person to whom the complaint is made, the decision may be appealed to the Personnel Committee in writing within five (5) working days of receipt of the decision. The Chair of the Personnel Committee, or designee, will review the harassment complaint and the investigations conducted thus far and/or conduct a further investigation and consult with the Personnel Committee to arrive at a final decision. The decision of the Personnel Committee completes the internal process for harassment complaints.

12.9 Consequences for Violations:

Staff members who violate any portion of this policy are subject to disciplinary action, up to and including termination. Any volunteer who violates any portion of this policy is subject to discontinuation of the volunteer service and will be asked to leave the church premises.

12.10: Prohibited Retaliation

Every staff member has a right to report harassment without fear of retaliation. Retaliation of any kind against a staff member who makes a complaint of discrimination or harassment, or against a staff member who participates in an investigation concerning a complaint of discrimination or harassment, is strictly prohibited. Any staff member retaliating against another staff member will be subject to disciplinary action, up to and including termination from employment or, if applicable, volunteer service.

SECTION 13: SEXUAL MISCONDUCT POLICY

13.1 It is the policy of the Presbyterian Church (U.S.A.) and of First Presbyterian Church Kerrville that all church members, church officers, non-member employees, and volunteers of the church are to maintain the integrity of the ministerial, employment, and professional relationship at all times. Persons who engage in sexual misconduct are in violation of the principles set forth in Scripture, and also of the ministerial, pastoral, employment, and professional relationship. It is never permissible or acceptable for a church member, officer, employee, or volunteer to engage in sexual misconduct. Anyone having knowledge of sexual misconduct by anyone connected with First Presbyterian Church Kerrville is encouraged to report it to the Senior Pastor/Head of Staff or the Chair of the Personnel Committee.

13.2 Definitions: Sexual Misconduct is the comprehensive term used in this policy to include:

13.2.1 Child sexual abuse; includes, but is not limited to, any contact or interaction between a child and an adult when the child is being used for the sexual stimulation of the adult person or of a third person. The behavior may or may not involve touching. Sexual behavior between a child and an adult is always considered forced whether or not consented to by the child.

13.2.2 Sexual abuse as defined in the Book of Order: "Sexual abuse is any offense involving sexual conduct in relation to any person under the age of eighteen years or anyone without the capacity to consent, or any person when the conduct includes force, threat, coercion, intimidation, or misuse of ordered ministry or position. Sexual abuse is contrary to the Scriptures and the Constitution of the Presbyterian Church (U.S.A.), and is therefore always an offense for the purpose of discipline." (Book of Order, D-7.0901).

13.2.3 Sexual harassment is defined in this General Employment Policy in Section 12 Harassment Policy

13.2.4 Rape is sexual contact by force, threat, or intimidation.

13.2.5 Sexual conduct is offensive, obsessive, or suggestive language or behavior, unacceptable visual contact, unwelcome touching or fondling that is injurious to the physical or emotional health of another.

13.2.6 Sexual Malfeasance is defined by the broken trust resulting from sexual activities within a professional ministerial relationship that results in misuse of office or position arising from the professional ministerial relationship.

13.2.7 Misuse of technology; use of technology that results in sexually harassing or abusing another person, including texting or emailing suggestive messages and images to persons with whom one has a ministerial relationship. It is never appropriate to view pornography on church property. When this includes a person under the age of eighteen, it is considered child abuse. There is never an expectation of personal privacy when using technological equipment owned by a church or church entity or within the context of ministry.

13.3 Reporting Requirements

13.3.1 The Book of Order requires that “Any member of this church engaged in ordained ministry and any certified Christian educator employed by this church or its congregation, shall report to ecclesiastical and civil legal authorities knowledge of harm, or the risk of harm, related to the physical abuse, neglect, and/or sexual molestation or abuse of a minor or an adult who lacks mental capacity when (1) such information is gained outside of a confidential communication as defined in G-4.0301, (2) she or he is not bound by an obligation of privileged communication under law, or (3) she or he reasonably believes that there is risk of future physical harm or abuse.” (G-4.0302)

13.3.2 The first person to whom an allegation of sexual misconduct is made should encourage the one reporting to immediately make the report in writing. If the person alleging sexual misconduct is unwilling or unable to write for him or herself, the person who first hears the allegation should write an account of the report immediately.

13.4 Response to report of sexual misconduct

13.4.1 If the person who is accused of committing sexual misconduct is a member, ruling elder, deacon, volunteer, or employee of the congregation, the report of allegations should be made to the Senior Pastor/Head of Staff or the Chair of the Personnel Committee. If the accused is a member or officer of the church, the church will respond by using the procedures set forth in the Rules of Discipline of the Book of Order.

13.4.2 If the accused is a nonmember employee or volunteer, the report will be referred to the Senior Pastor/Head of Staff and/or the Chair of the Personnel Committee for action as follows:

- a. Determine whether or not the allegation gives rise to a reasonable suspicion of sexual misconduct by the accused.
- b. In any case of alleged child abuse, request the Session to refer the matter to appropriate civil authorities.
- c. If reasonable suspicion exists, but child abuse is not involved, gather additional information necessary to make a decision about correcting the behavior.
- d. Determine any remedies, including limiting ministry, suspension, or termination as necessary and advisable under the circumstances.
- e. Inform the victim and the accused of the remedy.
- f. In all cases, the Senior Pastor/Head of Staff or Chair of the Personnel Committee shall prepare a written report, which shall be included in the accused's permanent personnel file. The accused shall be allowed to attach any written statements to said documents, also for permanent inclusion in the permanent file.

13.4.3 The Personnel Committee should keep detailed records of its actions and minutes of its deliberations and its conversations with the accuser, the accused, and other parties involved, correspondence, and copies of the reports received from committees or

commissions. Such records will be kept confidential . Content of a sexual conduct complaint, whether verbal or written, will not be disclosed except as part of the investigative process to those who have a need to know or as otherwise required by law.

SECTION 14: WHISTLEBLOWER POLICY

- 14.1 A whistleblower as defined by this policy is an employee of First Presbyterian Church Kerrville who reports an activity that the employee considers to be illegal, dishonest, or otherwise prohibited, to one or more of the parties specified in this Policy. The whistleblower is not responsible for investigating the activity or for determining fault or corrective measures; appropriate supervisors, pastors and the Session are charged with these responsibilities.
- 14.2 Examples of illegal or dishonest activities are violations of federal, state or local laws, fraudulent financial reporting, or any alleged misconduct.
- 14.3 If an employee has knowledge of or a concern of illegal, dishonest, or otherwise prohibited activity, the employee is to contact their immediate supervisor or the Senior Pastor/Head of Staff.
- 14.3.1 The employee must exercise sound judgment to avoid baseless allegations.
- 14.3.2 An employee who intentionally files a false report of wrongdoing will be subject to discipline up to and including termination.
- 14.4 The supervisor will immediately submit the whistleblower's concern to the Senior Pastor/Head of Staff or, if the concern relates to the Senior Pastor/Head of Staff, to the Chair of the Personnel Committee.
- 14.4.1 The Senior Pastor/Head of Staff or Chair of the Personnel Committee will immediately investigate the concern and determine what further action needs to take place. The Book of Order details the process for the discipline of ordained persons. Referrals to law enforcement officials are to be made by formal action of the Session.
- 14.4.2 As far as possible the confidentiality of the whistleblower will be maintained. However, identity may have to be disclosed to conduct a thorough investigation, to comply with the law and to provide accused individuals their legal rights of defense.
- 14.5 The church will not retaliate against a whistleblower in any way, but the right of a whistleblower for protection against retaliation does not include immunity for any personal wrongdoing that is alleged, investigated, and confirmed.

SECTION 15: GRIEVANCE POLICY

If an employee has a grievance or complaint concerning the interpretation or application of this General Employment Policy the issue shall be resolved in the following manner:

- 15.1 An employee may first confer with his or her supervisor.

15.2 If the grievance or complaint is not thus settled, the employee shall confer with the Senior Pastor/Head of Staff.

15.3 If the grievance or complaint is not thus settled, the employee shall contact the Chair of the Personnel Committee who will present the complaint for investigation and decision to the Committee, or schedule a time for the employee to speak to the Committee.

SECTION 16. DISCIPLINE POLICY

16.1 The Senior Pastor/Head of Staff, or in the case of Children's Corner Preschool, the Director of CCP, will respond to disciplinary concerns as follows:

Level One: Verbal notification.

- Explain concerns to employee.
- Briefly review progressive discipline steps with employee.
- Explain in detail what is unacceptable, and state specifically what is expected.
- Place a Performance Improvement Plan following the attached format, signed by all attending the conference, in employee's file, along with details of the conversation (template available in Section 17).

Level Two: Counseling with written notice of impending action.

- Have formal discussion (counseling) with employee, including documentation of specific instances of unacceptable performance. This should include notification of employee's position in the discipline process.
- Reinforce accepted standards and expectations.
- Ask employee to add his/her comments, if any, to the written notice. Have employee sign and date the notice, and place it in employee's file.
- At this point, and in all subsequent steps, notification will be given to the Personnel Committee, or to the Children's Corner Committee, as appropriate.
- Note If employee's behavior is within the acceptable range for a period of six months the employee should be so notified, and a note to that effect should be attached to the Level Two notice.

Level Three: Written notice of suspension (minimum) or termination.

- Employee is notified in writing that this is the final step leading to dismissal and is asked to sign the document, with any comments the employee may wish to add.

16.2 Termination

16.2.1 Employee is relieved of their position, and the documentation of the details leading to the decision to terminate is placed in the employee's file.

16.2.2 This requires review and approval by the Senior Pastor/Head of Staff, the Personnel Committee, and in the case of Children's Corner Preschool, the Director of CCP.

16.2.3. Depending on the severity of the infraction(s), termination may occur at any point in the discipline process.

Sexual Harassment Investigation Reminders

Obtain a Description of the Incident/Claim:

- Use active listening. Ensure the employee provides full disclosure of the event/incident(s), and engage them in conversation. Avoid comments that deflect the seriousness of the charge.
- Acknowledge the difficulty associated with coming forward, and thank them for their candor.
- Maintain a professional attitude.
- Gather all pertinent facts, and avoid making any judgment.
- Obtain a written statement from the claimant.
- Ask who, what, when, where, why, and how. Determine the threat of retaliation, either real or perceived.
- Ask the employee how they would like to see the problem resolved.

Investigate the Incident/Claim:

- Investigate immediately. Delaying or extending an investigation can cause witness testimony to become increasingly unreliable.
- Tread carefully: The way the investigation is conducted may constitute grounds for a hostile environment claim.
- Diligent documentation of each step is required.
- Treat all claims seriously.
- Maintain confidentiality. Emphasize to those involved that your discussions are not to be shared with any unconcerned parties. Warn of possible disciplinary action associated with the spread of rumors, slander, or hearsay, if necessary.
- Limit the number of persons who have access to the information. Communicate strictly on a “need to know” basis.
- The purpose of the investigation is to gather facts, not disseminate allegations. Avoid any leading questions that might compromise the investigation, and focus more on generalities.
- If more than one allegation has been made, handle each one separately.
- To avoid defamation liability, never broadcast the facts of a given situation or the results as an example to others or as a training tool.

Interview the Complainant:

- Obtain specific details. Determine complainant wants and needs.
- Determine the existence of a pattern of previous episodes or similar behavior toward another employee, or if it was an isolated incident.
- Identify any contextual information wherein the conduct occurred. Where? What time?
- Determine the long and short-term effects of the conduct on the complainant. These may include economic, non-economic and/or psychological.
- Determine the relationship of time between the occurrence of the incident, its effect on the complainant, and the time when the complainant filed the report.
- Prepare a detailed time-line of events.
- Analyze the possibility that certain events may have triggered the complainant, i.e., promotion, pay or transfer denial.
- Determine whether there are any possible motives on the part of the complainant for

filing the complaint.

- Explain the seriousness of a sexual harassment charge, and that you will conduct a thorough investigation before reaching any conclusion.
- Assure the complainant that he or she will not be retaliated against for making the complaint.
- Avoid making any statements about the accused person's character, job performance, or family life.

First Presbyterian Church-Kerrville Sexual Harassment Investigation Checklist

_____ **Interview the complainant.**

- What does the complainant say happened?
- Who does the complainant name as the harasser?
- Where and when did the incident take place?
- How did the complainant react?

_____ **Interview the accused harasser.**

- Stay objective.
- Assume nothing.
- Put every statement in writing.
- Remember, your notes may end up in court.

_____ **Interview all witnesses.**

- Phrase the questions so you don't give any information or influence the comments.
- For instance, it's better to ask, "Have you heard anyone say something to Ann that made her feel uncomfortable?" rather than, "Did you hear Frank proposition Ann?"

_____ **Weigh all the evidence.**

- Consider the credibility of each party, based on the reputations of the complainant and the alleged harasser.
- Is there any possibility the employee is trying to make up for a poor performance review or a disciplinary action?
- Are there any previous complaints against the accused harasser?

_____ **Take action.**

- Once you have all the facts, ask yourself if any sexual harassment did occur.
- If you decide the accusation is without merit, write a detailed report explaining why, and have the evidence to back it up.

Appendix E - GUIDELINES FOR PLANNED GIVING (09-24 Affirmed)

A. Introduction.

God gave to each of us our minds and abilities, and we, with God's guidance, have exercised these gifts and produced a surplus of goods and money. As stewards of this God-entrusted bounty, we are expected to use it wisely and to help our neighbors who are less fortunate. This involves giving to our church and to others, and this accomplishes much if it is done in a responsible and planned manner. First Presbyterian Church of Kerrville, Texas, (The Church) recognizes its responsibility to provide its members with guidance and instruction on both the Biblical basis of "giving" and the ways in which these gifts may be made. The Church accepts this responsibility and will inform members periodically as to opportunities for giving, including:

1. The Biblical basis for helping our neighbors through personal efforts and sharing of personal resources.
2. Sharing of The Church's expenses and benevolence through support of the annual budget.
3. Assistance through unrestricted gifts whose principal will be used for the benefit of The Church and through endowment gifts that provide a permanent fund for investment that will provide "continuing gifts" through the income and appreciation of investments.
4. Assistance to The Church through donor-designated gifts for short-term and/or specific needs (see Appendix E-2).

B. Establishment of a Plan for Planned Giving.

A plan (The Plan) for The Church for the receipt, investment, and administration of endowment and unrestricted special gifts is hereby established.

C. Objective of the Plan.

The objective of the Plan is to create two separate funds. One fund shall be known as the First Presbyterian Church Kerrville Special Gifts Fund. The other shall be known as the First Presbyterian Church Kerrville Abiding Legacy Endowment Fund. Any donations (which may include monies, securities, or property) received by The Church under this plan shall be allocated as directed by the donor into either one or both of the two funds. In addition, undesignated gifts may be allocated to the Special Gifts Fund as provided in paragraph F.

D. Special Gifts Fund

1. Any donations received for the Special Gifts Fund, or allocated to the Special Gifts Fund under paragraph F, shall be held in the Special Gifts Fund and accounted for separately from the general operating accounts of The Church. The principal of the Special Gifts Fund may be disbursed by the session on recommendation of one of its permanent committees or on a recommendation of the Planned Giving Committee.
2. Any interest, dividends, realized gains/losses and unrealized gains/losses associated with the Special Gifts Fund shall accrue to the operating accounts of The Church.

E. Abiding Legacy Endowment Fund (Endowment Fund).

1. Purpose.

The Endowment Fund of the First Presbyterian Church of Kerrville, Texas, exists in perpetuity, in order to provide income that can be used to support critical needs of the church so that ministry by future generations can be sustained and enhanced.

2. Use of Endowment Fund Donations and Income.

Any donations received for the Endowment Fund shall be kept separate and apart from The Church's general operating accounts and shall be invested in perpetuity and distributed in accordance with the terms and provisions of the Endowment Fund Declaration and Agreement (Appendix E-1).

F. Undesignated and Unrestricted Gifts.

1. Each devise, bequest, annuity, and gift that has not been designated by the donor as to fund or purpose shall be classified and administered as a donation to the Church's general operating accounts.
2. As an exception to paragraph F-1, undesignated gifts of \$10,000 or more shall be designated 50% to the Church's general operating accounts and 50% to the Special Gifts Fund.

G. Right of Reinvestment.

Real estate, corporate stocks or bonds, or other property given to the Endowment Fund and/or Special Gifts Fund may be retained in its existing form or, upon recommendation of the Planned Giving Committee and approval by the Budget and Finance Committee (Congregational Assets Ministry Team) and the session, may be sold and the proceeds reinvested

H. The Planned Giving Committee (The Committee) Organization.

The Committee will be a sub-committee of the Budget and Finance Committee and will oversee the management of the Endowment Fund and the Special Gifts Fund.

1. The chair of the Committee will be appointed by the Budget and Finance Committee.
2. The chairperson of The Committee may appoint one or more additional members to assist in carrying out the responsibilities of the sub-committee.
3. The Budget and Finance Committee will review all recommendations of The Committee and take action, as the Budget and Finance Committee deems appropriate.

I. Additional Responsibilities of the Committee.

1. As authorized by the Church Treasurer, to report the statuses of the Endowment Fund and the Special Gifts Fund to the Budget and Finance Committee for forwarding to the session at least annually or as frequently as the session may from time-to-time require.
2. To determine the amount of Endowment Fund earnings to be allocated for use each year.
3. To evaluate proposals for the use of the Endowment Fund and make recommendations to the Budget and Finance Committee for its consideration.
4. To support the Stewardship and Mission Committee in acquainting church members with the opportunity of making gifts and bequests to these funds.
5. To perform such other responsibilities related to the Endowment Fund and Special Gifts Fund as may be assigned to The Committee by the Budget and Finance Committee.

J. Church Consolidation, Merger, or Dissolution.

If at any time The Church is lawfully merged or consolidated with any other church, all of the provisions hereof in respect to The Church shall be deemed to have been made for and in behalf of such merged or consolidated church, which shall be entitled to receive all of the benefits of said Special Gifts Fund and Endowment Fund but shall be obligated to administer the same in all respects in accordance with the terms thereof and the terms of the Endowment Fund Declaration and Agreement. In the event of the dissolution of The Church, the presbytery of jurisdiction of the Presbyterian Church (USA) shall be entitled to the benefits and be obligated to administer the Endowment Fund and Special Gifts Fund of the Church in similar fashion, and in the case of the Endowment Fund always in accordance with the Endowment Fund Declaration and Agreement.

K. General Policies.

1. The use of gifts and bequests should reflect our commitment to responsibly further the work of Jesus Christ, including the local ministry of The Church and the mission of The Church beyond the congregation.
2. The principal of the Special Gifts Fund shall be used to supplement the current operating budget or normal operation of the Church only upon the affirmative vote of a 2/3 majority of session members at the time of such vote.
3. The Endowment Fund may be used only as provided in the Declaration and Agreement.
4. At the beginning of each year, the Committee shall determine both the portion of the Endowment Fund that may be spent during the year consistent with the distribution provision of the Endowment Fund Declaration and Agreement and the amount that may be spent during the year consistent with the spend rate recommended by Texas Presbyterian Foundation (TPF). These funds shall be disbursed by the session on recommendation of the Budget and Finance Committee, provided the amount disbursed during the year does not exceed the spend rate recommended by TPF. Any disbursement of funds from the Endowment Fund during a year in excess of the spend rate recommended by FPF may be made only by affirmative vote of a 2/3 majority of session members serving at the time of the vote.
5. The intent as expressed by each donor shall be honored to the extent deemed feasible by The Committee and the session.
6. Investments shall be made in a reasonable and prudent manner as determined by the Budget and Finance Committee upon recommendation of the Planned Giving Committee.
7. The members of The Committee shall not be liable for errors of omission or commission, except for gross negligence and intentional malfeasance.
8. The session reserves the right to accept or decline any gift.
9. The Plan and the guidelines contained herein and adopted by the session of The Church may be revised only by affirmative vote of a 2/3 majority of session members then serving at the time of such vote. In no event, however, may any funds or assets placed in the Endowment Fund described in the Endowment Fund Declaration and Agreement be withdrawn or held by The Church for any other purpose than that specified in the Endowment Fund Declaration and Agreement.

3. The current guidelines, Appendix E of Standards of Procedures for Planned Giving, provide for the procedures and implementation of the Endowment Fund, but this Declaration and Agreement shall legally limit and restrict the Endowment Fund as a permanent endowment (not a policy and not subject to change from year to year) and shall control in the event of conflict between the Declaration and Agreement and Appendix E. The Endowment Fund is established to benefit the Church. The Endowment Fund shall include the donations received from donors, such property as has been or as may be, from time to time, transferred to the Endowment Fund by donors and/or the Church for inclusion in the Endowment Fund, and such property as may, from time to time, be received by the Church from any other source and accepted by it for inclusion in the Endowment Fund. On an annual basis, the session of the Church may utilize the income and appreciation from the Endowment Fund for the benefit of the Church. The Budget and Finance Committee is encouraged to make use of all available resources of professional advice and management that are appropriate. The reasonable costs of such resources, advice and management, if any, shall be a proper charge to the Endowment Fund. These resources should include, but not be limited to, The Texas Presbyterian Foundation. These resources can offer assistance in the management of assets, trusteeship, promotion, special projects, etc. No one shall be prevented from providing advice or management services to the Endowment Fund, or receiving fair compensation for such, solely by reason of membership in the Church.

Binding

This Declaration and Agreement shall be binding and enforceable and is entered into for the benefit of the Church and its members. The only legal access to the Endowment Fund shall be as herein provided and, in the event of the liquidation and dissolution of the Church and its other assets, as set forth in the paragraph entitled Church Consolidation, Merger, or Dissolution.

Appendix F - PHYSICAL GIFT POLICY (Affirmed 9-24)

Any person, persons, or groups wishing to donate any physical objects to First Presbyterian Church, Kerrville, must present the request for the proposed gift to the Property Committee for review. The Property Committee must consider any costs needed for repairs, enhancements, etc., of such gift and refer this to the session when presenting the gift to be donated.

The session, as governing body, may either accept or reject the gift from any donor after hearing a report from the Property Committee.

If the session accepts a donated gift, a note of appreciation will be sent the donor by the clerk of session.

Appendix G - MAJOR PURCHASES POLICY (Affirmed 9-24)

First Presbyterian staff and committees will exercise good stewardship of the congregation's funds by planning ahead when possible for major purchases and by securing the best value for the dollars expended through source price comparisons. Staff and committees should try to avoid unbudgeted and unplanned major purchase requests, except for emergencies. The annual budgeting process should be used to plan for the purchase of major new or replacement items. A 'major purchase' is any goods or services or annual service contracts which exceed \$5,000.

PURCHASE REQUESTS – REQUIREMENTS & EXCEPTIONS

Purchase Request (Appendix G-1) must be used to obtain all goods or services when:

- The purchase of goods or service would exceed an annual value of \$5,000.
- A purchase, of any value, is not contained within the current budget.
- Designated funds are proposed as the funding source for any value wherein the use of that fund is for purposes other than the original intent.

NOTE: The Purchase Request may also be used as a 'example' for other routine purchases/replacements of budgeted items/services for documentation/informational purposes.

- 1) The Purchase Request should be completed and signed by the chair of the requesting committee, the pastor or the director of Children's Corner for CCPS related items. All blanks on the form should be completed.
- 2) Purchase Requests for purchases which exceed \$5,000 will show evidence of price comparisons of at least two sources/vendors. If there is only one available source or vendor, this should be noted on the purchase request. Recommendations for vendor or source should consider value and service as appropriate; lowest price should be only one factor. Committees are responsible to research sources, requesting help as needed.
- 3) Emergency repairs or purchases of large-dollar replacement items are not subject to this policy, however price comparisons (if possible) are recommended. The office manager in consultation with the Congregation Assets Ministry chairs (Property and

Budget and Finance Committees) and the related committee chair may determine what constitutes an emergency. The Church Treasurer however, shall always be kept informed of such action.

- 4) Existing service contracts are not subject to this policy if they come up for renewal, unless a contractor's performance is deemed unsatisfactory or a change in scope or price is significant (greater than 10%). All new service contracts are subject to this policy regardless of their annual value.

PROCESS

- 1) After the Purchase Request has been completed, it will be forwarded to the Chair of the Property Committee for approval if the request includes items of equipment or furnishings for use in or around church property. Upon approval, the Chair of the Property Committee will send the request to the Chair of the Budget and Finance Committee for review or approval.
- 2) If the Purchase Request does not require Property Committee approval, it will be forwarded directly to the Chair of the Budget and Finance Committee for review or approval.

BUDGET AND FINANCE – REVIEWS/APPROVALS

- 1) Major purchases covered by this policy that are contained within the current budget need only be reviewed by the Budget and Finance Committee.
- 2) Any service or item that is to be purchased that is not contained within the current budget or where the use of the designated fund is for other than its original purpose must be approved by the Budget and Finance Committee.
- 3) If designated funds(s) are to be used for the purchase, the requestor shall consult with the Church Treasurer as to the appropriateness of the proposed funding source.
- 4) The chair of the Budget and Finance Committee will inform the originator of the request of the Committee's action on the Purchase Request.

SESSION APPROVALS

- 1) Session approval is required for any unbudgeted item, for budgeted items which exceeds \$10,000 and for items that will be purchased from designated funds when the designated fund is to be used for purposes other than the original intent.
- 2) It is the responsibility of the requesting committee, after Budget and Finance review or approval, to bring the funding request to the session for approval.

BUDGET AND FINANCE MONITORING

- 1) On a monthly basis, the Budget and Finance Committee will receive reports of all invoices which exceed \$5,000 to enable the Committee to track purchases and adherence to this policy.

Appendix H - Child Care Policies and Procedures

First Presbyterian Church of Kerrville (Affirmed 9-24)

Mission Statement

First Presbyterian Church provides nurturing child care for children ages birth through fifth grade. Because we affirm that all children are a gift from God and that they depend upon adults for safety and security, our child care is a place where children are loved and cared for physically, emotionally, and spiritually. We provide child care where parents are welcome and feel confident leaving their children while they attend worship, Sunday school, or church functions; and where our child care staff are supported and compensated for their ministry to our youngest children.

1. There will be two child care staff members or a child care staff member and a church volunteer working in each room if at all possible.
2. The following child to staff/volunteer ratio should be observed:
Infants (newborn to 12 months) 4 to 1
Toddlers (up to 4 years of age) 6 to 1
Older children (4+) 8 to 1
3. All child care staff will be 18 years of age or older. Exceptions can be made on an individual basis with approval of the Child Care Coordinator, Director of Children's Ministries, and the Children's Ministry Committee.
4. Child care staff are expected to arrive 15 minutes before a scheduled event to prepare for the children. Make sure the sign-in clipboard is accessible for parents and the registration book is available, with blank registration forms. Also make sure that the room is in order for the children's arrival. If there are projects to work on, make sure all the supplies are on hand. On Sundays, in the extended care room make sure the room is ready for children and the sign-in clipboard is accessible for parents. Find the lesson for the day and review it, making sure the supplies are ready for the project. Remember that sometimes our volunteers in the extended care room like to do the lesson, but child care staff should be prepared to take the leadership in the lesson.
5. Occasionally child care staff will arrive but no children do. If it is 45 minutes after the appointed start time for the event or meeting and no children have arrived then childcare staff may go home, signing out the time that they leave.
6. Child care staff will fill out their time card on each day/night that is worked, with the date, the time that they arrive and the time they leave, not the times they are scheduled for. Sign the top of the time card and return the time card to the staff cabinet. Time cards are kept in the staff cabinet in the church child care room at all times. Regardless of actual time worked, Child care staff shall be compensated for a minimum of 2 hours of work.
7. Child care staff shall make themselves familiar with the room(s) noting where the evacuation plan is and where the exits are. They shall locate where supplies are kept as well as survey the toys and equipment and remove any that are broken or dirty. Broken toys are to be set aside for review; dirty toys are to be cleaned by child care staff and returned to the shelves.

Sheets, blankets, soft toys that are used are to be set aside to be laundered. When facilities are shared with Children's Corner Preschool, we should be good stewards of the room, toys, etc... and items should be returned to the proper places in good condition.

8. All children must be signed in and out by their parent or other responsible adult on the sign-in sheet. Be sure they list their cell phone number or how to get a hold of them if needed. Ask them to also designate who will be picking up the child. The children that come to extended care from worship will be signed in by the caregiver. Children are not to be released to anyone but an authorized person as indicated on the child's registration form. Older siblings may not sign out their brother or sister.

9. Child care staff shall warmly greet arriving children and their family and be attentive to any instructions that are given about the child's needs (allergies, feeding times, napping times, potty training information, etc) making notes in the registration book. All food allergies need to be listed on the sign in sheet. If we do not have a registration form on record for the child please ask the parent/adult with the child to fill one out. Child care staff should become familiar with the children who are regularly in their care, noting allergies and routines that are unique to that child. All diaper bags, bottles, sippy cups, etc. need to be labeled with the child's name.

10. Child care staff should maintain an open, flexible, non-judgmental, affirming, enthusiastic attitude about every child and family. Even if the child care staff disagrees with parenting practices or ideas, they should follow the parents' directives unless they believe it is physically, emotionally, or mentally taxing on the child to follow the parent's directions. In these cases, the child care staff shall contact the Child Care Coordinator and/or the Director of Children's Ministries to voice their concerns.

11. Texas Family Code requires all persons to report suspected child abuse or neglect to the Department of Family and Protective Services within 48 hours of first suspecting that a child has been or may be neglected or abused. Child care staff may contact the Director of Children's Ministries to file the report or make the report themselves at 1-800-252-5400 or at www.txabusehotline.org.

12. If a child is excessively upset (cries non-stop for more than 20 minutes) and attempts to comfort the child, such as holding, rocking, engaging them in an activity, fail the staff should contact the parent/responsible adult using the number given on the sign in sheet.

13. Child care staff is expected to interact with the children in age-appropriate activities such as singing songs, playing appropriate children's music, reading, playing with toys, coloring, puzzles, etc. Children are also to be held and rocked when they need comforting.

14. Child care staff is expected to maintain discipline for the safety and health of all the children. By interacting with the children, staff may be able to avoid common behavior problems such as fighting over toys, etc. If behavior problems arise where a child puts himself or others in danger (biting, hitting, climbing on furniture after being told to stop) then the child may be separated from the group, with a time to calm down, for a brief period of time not to exceed 1 minute for each year of age. (1 year old 1 minute, 2 year old 2 minutes, etc.) At no time is a child to be yelled at or talked to in a way that is demeaning. Corporal punishment is never acceptable.

15. Child care staff will follow appropriate diaper changing procedures, wearing gloves and then cleaning the diaper changing table following the four step procedure posted near the changing table.

16. Children are never to be left alone no matter how short a time period. Children are not to leave the child care room or extended care room unless they are accompanied by an adult.

17. Once all children have been picked up, staff will spray all toys down with Clorox spray provided and put the toys away properly. Countertops, tables and chairs need to be wiped off and chairs stacked so the janitorial staff may sweep and mop the floors.

18. Smoking is not permitted in any of the church buildings nor within fifteen (15) feet of any church building and only in approved areas. If smoking occurs during work hours, it must only be during an approved break.

19. Alcohol and illegal drugs are not permitted on church property. The misuse of any legally prescribed medication is prohibited. All medications will be kept out of the reach of all children.

20. Talking on the phone texting, or otherwise using phones for personal use is strictly prohibited while working with children, unless there is an emergency or they are contacting a parent, the Child Care Coordinator, or DCM.

21. Child care staff should dress and conduct themselves in a professional manner at all times:

- a. Staff should look neat at all times, and clothing should be clean, modest, and in good taste.
- b. Slacks and jeans are to be without large holes in them, or revealing holes above the knee.
- c. Skirts and shorts are to be at least finger-tip length.
- d. No undergarments should show, and obscene or offensive logos or language on clothing will not be permitted.
- e. Clothing should be of material that can easily get messy from time to time, and shoes should be comfortable and not hinder you if you have to move quickly to help a child.

22. In the case of an emergency, the following procedures should be followed:

- a. If it is a medical emergency follow first aid procedures and contact the parents using the number left on the sign in sheet.
- b. If first aid is not enough call 911 and contact the parents using the number left on the sign in sheet.
- c. In case of a fire remove the children from the building as quickly as possible following the evacuation plan posted in the room.

Emergency Procedures shall be clearly posted in visible areas such as near entry door(s) and light switches and telephone.

Staff and Volunteers should be familiarized with the 'panic button' location and its operational intention.

The use of FPC facilities must be limited to events that meet one or both of these criteria. The church Facility Manager, in consultation with the pastor, has the authority to approve use of church facilities in accordance with these policies, except as otherwise stated.

2. First Presbyterian Church Groups and Members

- a. All regular church activities as established by the session have priority in the use of the buildings and grounds. Groups from churches other than First Presbyterian will have the next priority on a first-come-first-served basis. Approval of activities by groups from other churches may require the approval of the pastor.
- b. Meetings and activities of our church groups not normally on the church calendar must be scheduled through the church office. Specific rooms must be reserved and activities limited to the facilities reserved.
- c. The point person from the church group using the building must make provisions for opening and locking the building. That person must assume responsibility for seeing that all rooms used, including the kitchen(s) are clean and in order, and that tables are wiped clean and chairs are set up as found or returned to the proper storage area. If that person does not have a key to the building, he/she should sign-out a key from the church office and return the key not later than the next day the church office is open following the activity.
- d. Church members using church facilities for non-church activities (e.g. bridal showers, baby showers, meetings, etc.) must make application for facility use by submitting the M-1 form and using the M-2 and M-3 procedures.

3. Outside Groups (groups not directly sponsored by the church).

- a. The session desires to make the church facilities available to groups whose activities and/or teachings do not offend Christian conscience. The pastor shall be the sole judge as to what may be offensive.
 - b. Any organization or group using church facilities shall designate one member of its group to be in charge and responsible to the church for the treatment of the buildings and grounds.
 - 1). That person, who must be an adult, shall fully complete the "Application for the Use of Buildings and/or Grounds form (see Appendix M-1), which may be obtained from the church office. This application shall then be submitted to the office manager for review. The church Facility Manager has authority to grant applications for short-time use (not more than three uses over a period not to exceed two months) of the building/grounds that conform to these guidelines. Any application for continuous or regular usage (more than three uses and/or over a period exceeding two months) by any group or for any function must be submitted to the Property Committee, and with its approval, submitted to the session for its approval. Following approval by the session, the activity will be placed on the church calendar. It is understood, however, that any such application may be cancelled by the session in favor of a church activity and that the session may, at any time, alter the provisions stated herein. Functions between December 24 and January 1 are not allowed in order to give the staff time off during this time.
 - 2) Specific rooms and/or portion of the grounds must be specified in the application and activities limited to the facilities requested and approved.
 - 3) If a meeting or function is scheduled at some time other than when the custodian is on duty, the group must reimburse the church at the rates shown on the fee schedule or have a member of the church act as its representative for the purpose of opening and closing the building.
 - 4) Provide a certificate of insurance naming First Presbyterian Church as an additional insured (if possible).
 - c. Groups using the facilities or grounds are expected to leave the facilities as found. The cost of any special or extra clean-up by the church facilities manager will be deducted from the deposit.
 - d. If a dinner is served or a kitchen used for preparation of food, the church Facility Manager shall specify any special requirements for custodial activities such as washing dishes, performing final cleanup, etc. Typically, off-hour custodial participation will be charged at \$40/hour/custodial person if the kitchen is used.
 - e. Any group or organization using church facilities will be held responsible for any damages to the church property or furnishings during their use of the building or grounds. Groups using the building for an occasion which the general public is eligible to attend will be held responsible for the treatment of the property on the part of the general public during that time.
4. Kitchens
- a. When a kitchen is used by a non-member outside group, the Facility Manager will determine if the custodian may need to be on duty as provided in 2.B.3. above.

He/she can open, clean, and close buildings, wash dishes (in the dishwasher) and oversee the use of church equipment in the kitchen._

- b. Arrangements for the preparation of food and cleaning up of kitchen must be made by the group using the facilities.
- c. The following rules must be observed by church groups and church members using a kitchen:

 - Leave the kitchen and all rooms in which food was served clean and orderly.

D. Continuous Use of the Property.

1. All the rules stated above also apply to groups who desire a continuous use of church facilities.

2. Any group using the church on a regular basis shall resubmit its application at the end of the first six months of use and annually thereafter, unless the group is given approval for continuous use without need for re-application (e.g., scout troops, Red Cross, etc).

E. Use of Church Organs

The use of the pipe organs is restricted to the regular church organist or a substitute approved by the organist, director of music, or pastor.

F. Use of Church Equipment Outside the Church.

1. For First Presbyterian Church functions in locations other than the church premises, equipment such as folding chairs, tables, and small kitchen utensils, may be borrowed provided they are checked out and checked in through the church office.
2. The church's equipment (including audio-visuals, tables and chairs, kitchen equipment, etc.) is not available to be taken off the church premises for purely personal use or use by outside or non-church groups. Purchase, maintenance, and inventory of our equipment for church activities are in itself a sufficient problem. There are equipment rental firms in Kerrville and neighboring cities to serve personal or group needs at a moderate cost.

Appendix M-10: SAFETY, SECURITY AND EMERGENCY PREPAREDNESS

PENDING, IN DEVELOPMENT

draft

Emergency preparedness is paramount for the safety, security and well-being of First Presbyterian Church congregation members, staff, operations, and facilities. This draft Standard of Procedure covers current emergency contacts, and includes the Introduction, Scope, and Use of the EMERGENCY PROCEDURES developed March 2018. Recent supplements of the work in 2023 is also referenced.

It is recommended that the complete Emergency Preparedness Procedures be maintained in a **Handbook or Manual** and be kept current and located in the FPC Front Office, with copies distributed to appropriate FPC personnel.

It is further recommended that Church Staff and session members and ushers have a yearly or bi-yearly review of the Handbook/Manual and emergency procedures, and that it be officially reviewed and evaluated at least yearly.

EMERGENCY CONTACTS IN ORDER

Listed position, names, and contact phone numbers are below. These numbers are also posted in several places around the facility (example: near telephones) as "Emergency Contacts." In case of a true emergency, after 911 is called, this calling order is recommended as necessary:

**Excerpt from
"EMERGENCY PROCEDURES
FIRST PRESBYTERIAN CHURCH
KERRVILLE, TEXAS
Last Approved by Session 03/26/18"**

Introduction

This draft document is the result of an effort by FPC-Kerrville leadership to expand upon best practices to address emergencies that may arise on FPC facilities. The effort was undertaken by the Emergency Preparedness Taskforce, a group appointed by the Planning and Training Committee. The Task Force will remain active until the final results have been accepted; however, it is advisable that FPC leadership continue to monitor and update this manual.

Scope

While no document or set of documents can address every perceived emergency, the situations included here are those that the Taskforce felt would be the most likely to occur on FPC property. While Children's Corner Preschool (CCP) is addressed, CCP has undergone an independent review of emergency situations on that site. (No evaluation of that plan was made by this Taskforce.) Also, additional work will need to address the YES Center property as a part of this plan. There are areas the Taskforce feels are not within the scope of Emergency Preparedness but are best practices the church staff should employ. These suggestions are found in the Appendix.

Uses

This document's primary use will be as a training tool for FPC staff and leadership. Also a pocket-sized reference guide has been developed which can be used quickly in an emergency. The Taskforce suggests that in addition to staff, training needs to include the Session, the Diaconate, ushers and volunteers (i.e. bus drivers, child care, YES Center mentors).

General

No document can reasonably cover all situations, however good judgment and common sense are paramount. Getting help, avoiding unnecessary risk, following instructions, and exercising safety are recommended in every situation. The fixed fire alarm system is designed to detect a fire and evacuation is always prudent.

A. Drivers

1. Drivers must be at least 25 years old and less than 70, must have a current valid driver's license meeting the requirements to operate a vehicle in Texas (or commercial driver's license as appropriate), and agree to a check of DPS traffic record. The Church reserves the right to deny approval of a proposed driver for any reason, including prior or current health issues or criminal violations. Potential drivers between 21 and 25, or over 70 will be authorized only on a case-by-case and trip-by-trip basis and must meet all other requirements. All drivers will be required to show evidence of attendance at an approved defensive driving, or seniors refresher, course recognized by the state of Texas for insurance rate reductions. Approved drivers will acknowledge receipt and explanation of these policies by a designated Property Committee representative (or the office manager) and will be guided in a vehicle familiarization to include: walk-around procedures; brief driving familiarization; emergency procedures; and post-trip logging exercise. A vehicle safety video produced by Church Mutual Insurance will also be viewed for more advice on safe vehicle usage.
2. Only drivers on the approved list will check out vehicle keys and trip logs from the office. Drivers are responsible to know and enforce vehicle safety policy and must obey speed limits and other traffic laws. Passengers are requested to and should report any careless driving habits to the office and/or chairperson of the Property Committee (or vehicle sub-committee). Persons who use private vehicles for Church transportation will be asked to provide a copy of the vehicle's insurance card and a copy of their current driver's permit prior to departure.
3. Drivers only are in charge of all dashboard controls and have authority to request compliance with reasonable requests for order and quiet as necessary to safely complete the journey. Alternate return transport to FPC will be arranged by cellular phone contact with the office for passengers who fail to comply with reasonable requests.
4. Drivers will notify office immediately of any accidents, breakage or necessary servicing. Vehicles with outstanding maintenance needs will not be ordinarily dispatched unless there is no safety issue and the vehicle is necessary to affect a one-time pickup or other urgent need.

B. Vehicles

1. Vehicles will be reserved through the church office
2. Vehicle(s) should be cleaned out thoroughly inside following any usage, with all debris removed. This will be each driver's responsibility. Drivers will inspect vehicle for condition and safety prior to departure using the checklist attached to trip log, bringing any discrepancy to staff attention before departure. Always allow enough lead time to allow correction of any safety issues.

3. Vehicle must be equipped with a first-aid kit and emergency equipment at all times. (flares, flashlight, fire extinguisher, safety checklists and emergency contact numbers for insurance, towing and administration).
4. Vehicle(s) will be kept closed and locked when unoccupied.
5. Property Committee will be responsible for routine maintenance and servicing through the office manager and maintenance staff.

C. Use

1. Driver and all passengers must use safety belts or approved child seats at all times.
2. No eating in the vehicle during local trips, liquids will be in a sealed container at all times i.e. bottled water or sports beverages in popup topped bottles.
3. No smoking in the vehicle at any time.
4. 4.No horseplay or throwing of objects of any kind in, or from, vehicle(s)
5. Passengers may use personal electronic devices enroute only when equipped with personal headphones. **No exceptions.**
6. Out-of-town trip requests will be made in writing to the Property Committee, well in advance of travel, for approval and should include the following information:
 - a. purpose of trip
 - b. destination
 - c. estimated distance to be traveled
 - d. anticipated dates and times of departure and return
 - e. designated driver who will sign for vehicle and any proposed alternates.

NOTE: Except in an emergency, no deviations from the proposed schedule or drivers will be made without office approval as such deviation could preclude future use of the vehicle or pose insurance risks.

7. For out-of-town trips, drivers are requested to carry two sets of keys and maintain them separately to avoid lock-outs. Full fuel tanks will be provided, and must be full on return. A credit card will be provided for out-of-town trips of significant distances only if such trip is an FPC activity. Where trips into Mexico are approved, Sanborn's Insurance (in the name of First Presbyterian Church) will be purchased by responsible individual, receipt and policy to be turned in with the keys on return to Kerrville.
8. No more than maximum rated passenger capacity (including driver) will be permitted to travel in any vehicle. Each occupant must have a working seat-belt.
9. The vehicles are for the sole use of the First Presbyterian church or related Presbyterian groups as approved by the Property Committee on request.

10. When vehicles will be out-of-town overnight(s), a staff or property committee contact 24-hour phone number will be provided for advice and counsel at home base in the event of any enroute difficulty. If individual driver or their group does not have a cellular phone, a Church owned emergency phone will be checked out with the vehicle.

D. Driving Safety Tips

1. Use lights when vehicle is moving (unless the vehicle has daytime running lights); personal vehicles are held to the same standards.

4. When forced to stop on highway or street;
 - a. If all traffic is stopped, stay in line until cleared to proceed
 - b. If vehicle only is stopped, pull off highway or to the curb of street. Put on emergency flashers if conditions are unsafe. Place reflectors/flares per the Accident Checklist. Evacuate vehicle and move passengers to a safe location away from traffic and the disabled vehicle.
5. Dusk and night driving or inclement weather are major periods of challenge requiring added caution when vision is impaired.
6. Take a cell phone along on all trips. Leave appropriate phone numbers with office when checking vehicle out.
7. Always have passengers use a “buddy” system and get a positive head count before departure and after each enroute stop.
8. Frequent “rest and stretch” stops maintain alertness and allow passengers to let off excess energy on long trips. Plan for enroute stops roughly every three hours.

E. Trip Approval Guidelines.

In general the church owned (leased) vehicles are intended to be an extension of our ministries in the world and as such are held in trust for the work of the Lord. Like all church property the vehicles are to be reserved on a case-by-case basis, approved by the property committee and in more far reaching events, by session.

Trips will generally be short time and mileage events within a single day and 200 miles round trip. Examples include (but are not limited to): deacon sponsored transport of ill or elderly congregants to church events, worship or necessary medical care within the greater San Antonio area; events such as youth events at Mo-Ranch, John Knox Ranch or other conference centers and events related to their nurture and Christian growth; events such as all church retreats and picnics; officer retreats and similar events which build up the body of believers. All of the above type uses may be scheduled through the

administrative staff in consultation with the transportation sub-committee, and advised by the deacons' transportation committee

Longer trips (in mileage or time) require greater scrutiny and more planning. Requests for transportation support will be made in writing using the form attached to this Appendix and reviewed by the Property Committee. In some cases, rented commercial transportation will be provided for longer trips with a large group (more than 26 people) or out of the state of Texas. If travel is anticipated into Mexico our owned/leased vehicles shall not be taken beyond the immediate border region of approximately 30 miles. Appropriate Mexican insurance will be purchased and drivers will receive special preparatory familiarization briefings from experienced cross-border individuals prior to departure. If more than one vehicle is to cross the border a "lead driver" will be identified and she or he will conduct a stop and "walk-around" vehicle re-check and driver coordination briefing immediately prior to the crossing. The briefing will include a signal for requesting the lead vehicle to stop; proper passenger behavior at the crossing inspection and how to handle a vehicle search if one is requested by authorities.

For all trips with children or youth there will be at least two adults in each vehicle, a driver and one other whose task is to ensure safe behavior and decorum so that the driver's sole concentration is on safe vehicle operation.

Almighty God, by the love of Jesus Christ you draw people to faith and welcome them into the church family. May we show your joy and love by embracing our brothers and sisters, who with us believe and with us will work to serve you. Keep us close together in your Spirit, breaking bread in faith and love, one with Jesus Christ our Lord and Master. Amen

Introduction

Greeting and Ushering as a Ministry of Hospitality

Welcome to the ushering team, and thank you for your service!

Ushers perform the duties of both 'greeting' and 'ushering' church attendees and herein termed 'ushers'. Ushers are the "first impression" most people will have of our church. As such, you are an indispensable and invaluable part of our worship experience at First Presbyterian Church. You will have the first contact with worshippers as they enter the sanctuary. You have the opportunity to help set the mood for worship.

We are a community called together to worship God. And we are called to use God's gifts. Among these gifts are hospitality by which we lovingly share the welcome of Christ with both neighbors and strangers. To be an usher is not a job but a ministry that provides a gracious welcome to all. This ministry deserves the same reverence and care given all the church's ministries.

Ushers represent the whole church in conveying our hospitality. Such a welcome regards each person as someone God has called to worship. Therefore, to welcome the stranger is to welcome God's guest.

Church greeting and ushering is different from ordinary greeting and ushering; it is a service rendered to God and an act which plays a part in the worship service.

This booklet presents the importance of church greeting and ushering, its purposes, its techniques, and its organization in our congregation. It contains general information, and a detailed listing of responsibilities of greeting and ushering and team captains. It does **NOT** replace periodic training sessions offered for all ushers.

USHERING

Ushers meet, greet, and seat! Normally there are two (2) ushers on duty for the 8:30 service and four (4) to (5) five ushers on duty at the 11:00 service. After greeting the worshippers, the usher may wish to inquire as to their preference for seating and direct them accordingly.

If you know you will not be present at church on your assigned Sunday, you should provide your own substitute. You can either contact the alternate list or trade with another usher on another Sunday. Please notify your usher team captain when you change. Your cooperation in this matter will greatly assist the effectiveness of your ushering team.

USHERS

Before the service:

- Report for duty and position yourself as directed by your team captain at least 20 minutes before the start of the service.
- Wear your name tag and usher badge (found on the shelf in the appropriate box in the usher's closet). The preferred placement is on your right shoulder or lapel. Return badge to closet following use. Remove by SLIDING the magnet.
- Welcome everyone to our house of worship with a smile and greeting. The large print bulletins and Hymnals are available on the Narthex table, if needed. Greet people as they enter, handing them a bulletin.
- Make sure to point out worship bags to young children, especially visitors.
- Ushers/assist late arrivals to pews. As the pews begin to fill up, assist anyone who needs to find empty seats.

During the service:

Once the service has started, the doors between the narthex and nave should be closed. After that, late arrivals should be seated only during the appropriate parts of the service, usually during a hymn or response, so worship will not be unduly interrupted.

At least two ushers should remain in the narthex until the service is completed. You (and your family) are encouraged to be seated in the back pews of the sanctuary. If you join your family elsewhere during worship, be sure to return to the back immediately after the sermon in preparation for taking the offering. Ushers in the balcony usually sit in the folding chairs at the rear of the balcony, but you may join your family after everyone is seated and an attendance count has been taken

When you sit down, leave a few bulletins on the round table in the narthex and on the podium in the balcony for latecomers.

Once worshipers are seated, ushers (assigned by the captain) count those seated on the chancel, left and right sides downstairs and those in the balcony. When counting, don't forget to include the ushers. Attendance is logged on the log sheet found on the podium in the narthex. If a new log sheet will be needed soon, please tell your team captain.

Receiving the offering:

Ushers come forward with offering plates as Offertory music begins; two down the center aisle, two down the inner aisles, and one on each outer aisle. Pass the plates to alternating pews, then return to back of sanctuary. The person collecting offering in the balcony should bring the full plate to the lower floor.

Offering trays are emptied into the bank bags marked for the appropriate services (8:30 or 11:00) then placed in the safe on the floor in the Ushers' closet to be counted later by the Business Administrator in the presence of one assigned officer. **There must be 2 ushers present when the bags are placed in the safe.** This is usually the Team Captain for the service and another usher. Return offering plates to the shelf.

After the service:

Open narthex and sanctuary doors after the Postlude.

Return the hymnals and Bibles to their proper places in the pew racks and pick up any bulletins, papers or trash left in the pews. There is a recycling box in the usher's closet for bulletins and paper.

Return the pads to their proper place on the pew and verify the signed attendance sheet has been removed. If they need to be replenished, new pads can be found in the usher's closet.

Check to be sure the hearing aids (on credenza) are charging (red light should be blinking until fully charged).

Extinguish candles.

It is the usher's duty to ensure that the sanctuary is always ready and inviting to worshipers.

EMERGENCIES:

Ushers should be attentive to any need that may arise. Remain observant during the service of any needs, such as young children heading to the restroom, people with health problems, etc.

Do not attempt to perform any type of medical service!!

Know where fire extinguishers and emergency exits are located. There are fire extinguishers in the short hallways to rest rooms. There is a fire exit on the West side of the balcony.

In the event a disruptive person or group attempts to disturb or disrupt a service, an Usher should dial 911 and press the Panic Button located in the Usher Closet. Identify yourself, give the church name and location and the nature of the emergency. One usher should go outside to await the arrival of the KPD.

Special Service Teams

Members of special services team will be called on for assistance at funeral or memorial services and for special worship services. They should follow regular procedures for ushering unless otherwise instructed by the usher team captain.

USHER CAPTAIN DUTIES

The Usher Captains' first duty is to assure a full staff of ushers at each service and inform or remind ushers of their duties and responsibilities.

Captains should know the location of lighting and sound system controls and how to use both. They do not normally need to be adjusted. An I-Pad is used to control the sound levels of the lectern, pulpit, hand held and pastor(s) head mic's, and is kept in the safe of the Acolytes Closet. A volunteer of the 'sound system committee' is usually on rotation duty with the I-Pad for the 11:00 service for touchup control.

Should problems arise or reoccur often, Captains should report them as soon as possible to the Property Committee contact person so that effective and appropriate solutions can be found.

- Place bulletins, including large print & large print Hymnals, on the table in the narthex and distribute the rest for the ushers to pass out.
- Ensure that the chancel candles are lit at the 8:30 service and if no acolytes are listed in the bulletin for the 11:00 service. Candle lighters and snuffers are hanging in the acolyte closet and matches are in the usher's closet. (When candles are not extinguished by the acolytes, the ushers should do so.
- Check to make sure the flowers are in the containers below the pulpit and lectern. If there are no flowers, retrieve the artificial arrangements from the communion preparation closet and put them in the containers.
- Position Ushers as appropriate: two at the center Nave entrance, one usher at each Nave side door, two at the chancel side doors, and one (or two?) in the balcony. (See positions diagram)
- Unless chimed by the Chancel Bell Choir or an assigned choir member, ring the bell (push the red button) in the usher's closet eight (8) times for the early service and eleven (11) times for the late service.
- Ensure that the narthex and sanctuary doors are closed at the beginning of the Prelude.
- Assign ushers to count the attendance. Don't forget to include choir members and the ushers. Record the numbers in the log book found in the narthex on the podium. If a new log sheet will be needed soon, please leave a note in the secretary's box in the church office.
- Be prepared to respond appropriately to emergencies.

Act as guides to guests

Diagrams on the following pages show the position for Ushers, the location of child care facilities, and Sunday school classrooms in both the Educational Building and the Family Life Center. Please make yourself familiar with the routes to these locations to enable you to guide or give directions to guests and family.

Childcare Locations

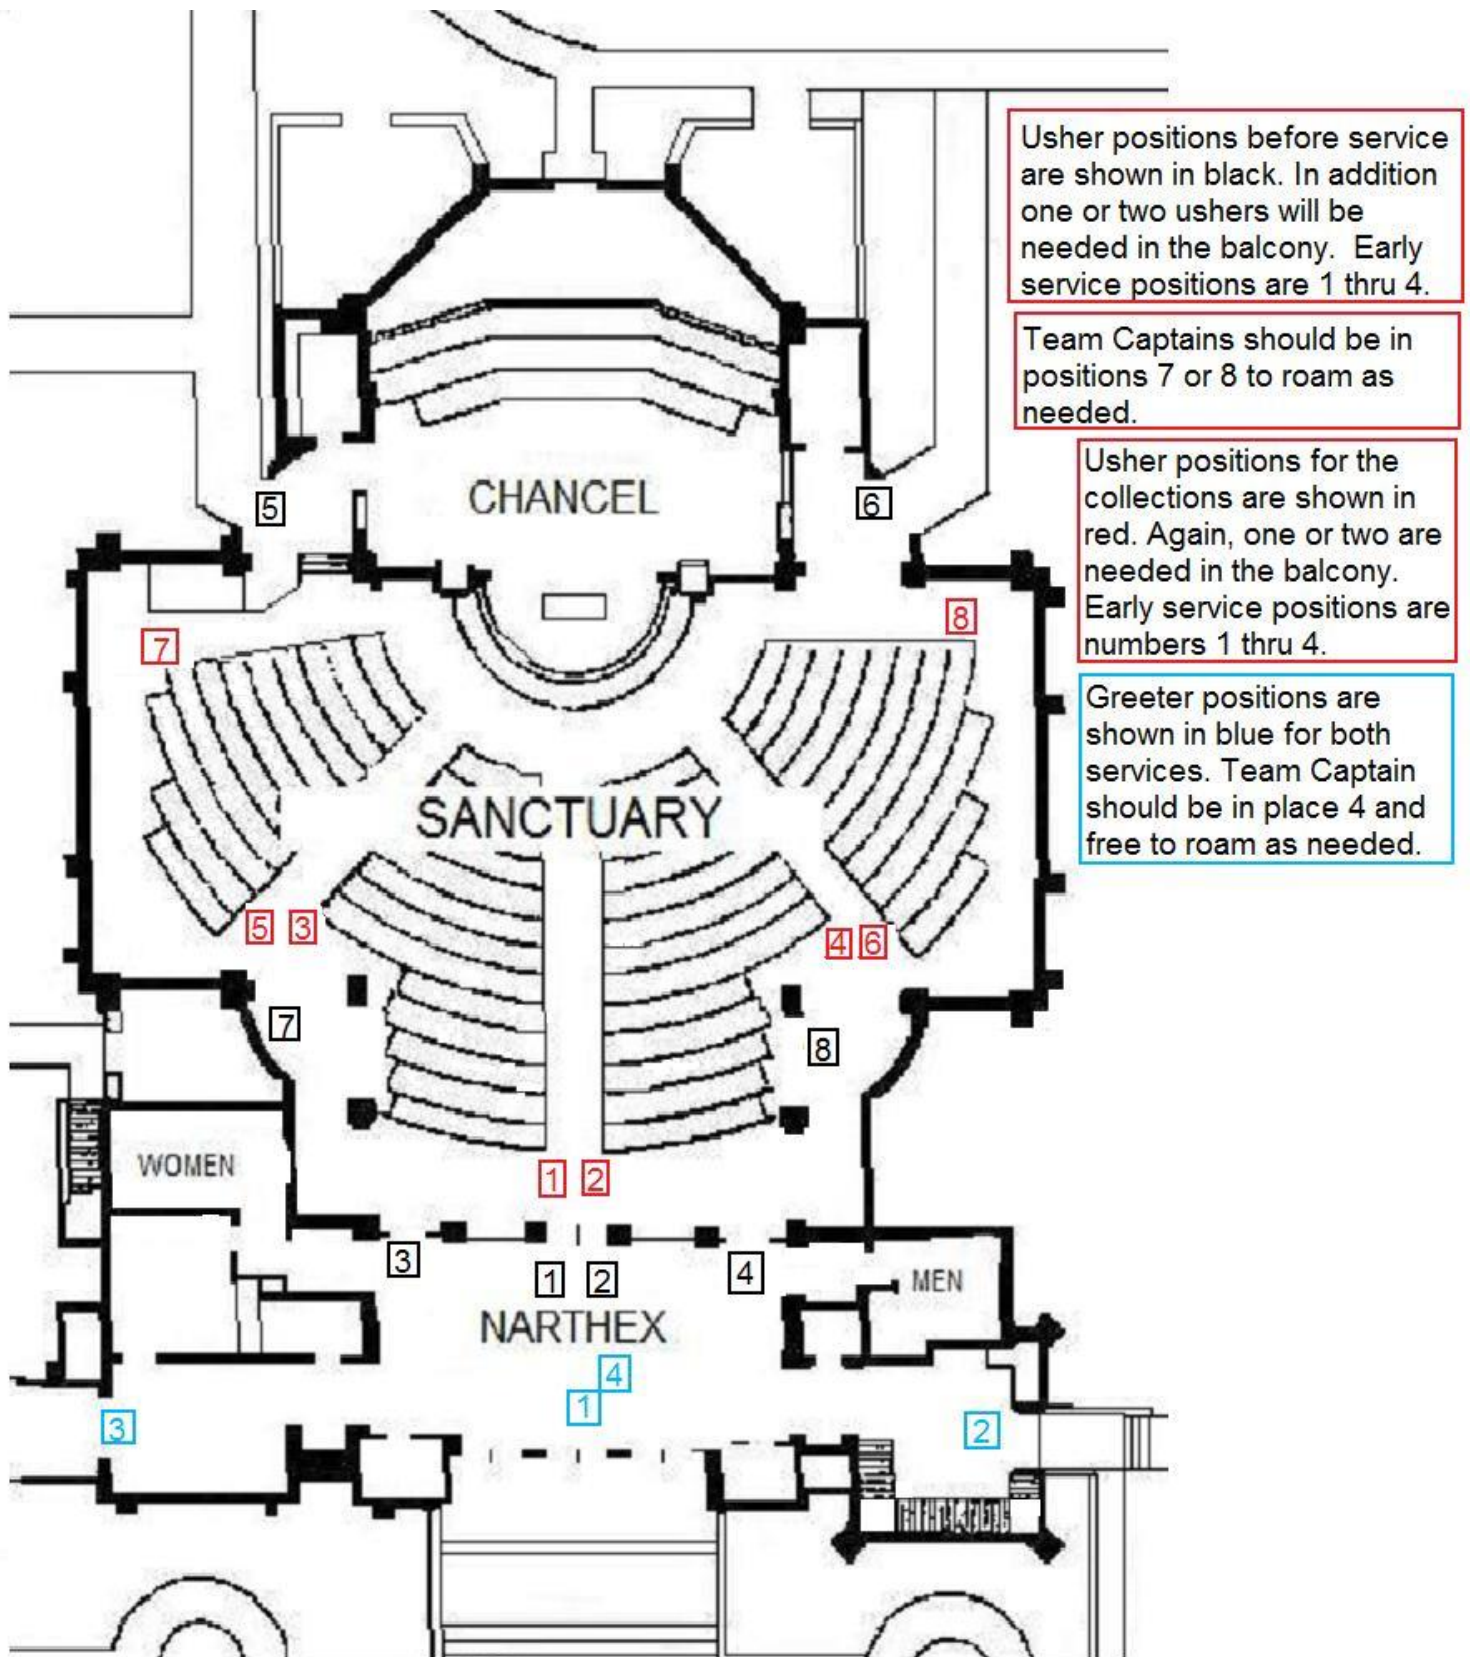

Childcare is available for infants through children who are in Kindergarten in room 504 in the Family Life Center. Ushers should direct or accompany parents to the appropriate location for their children.

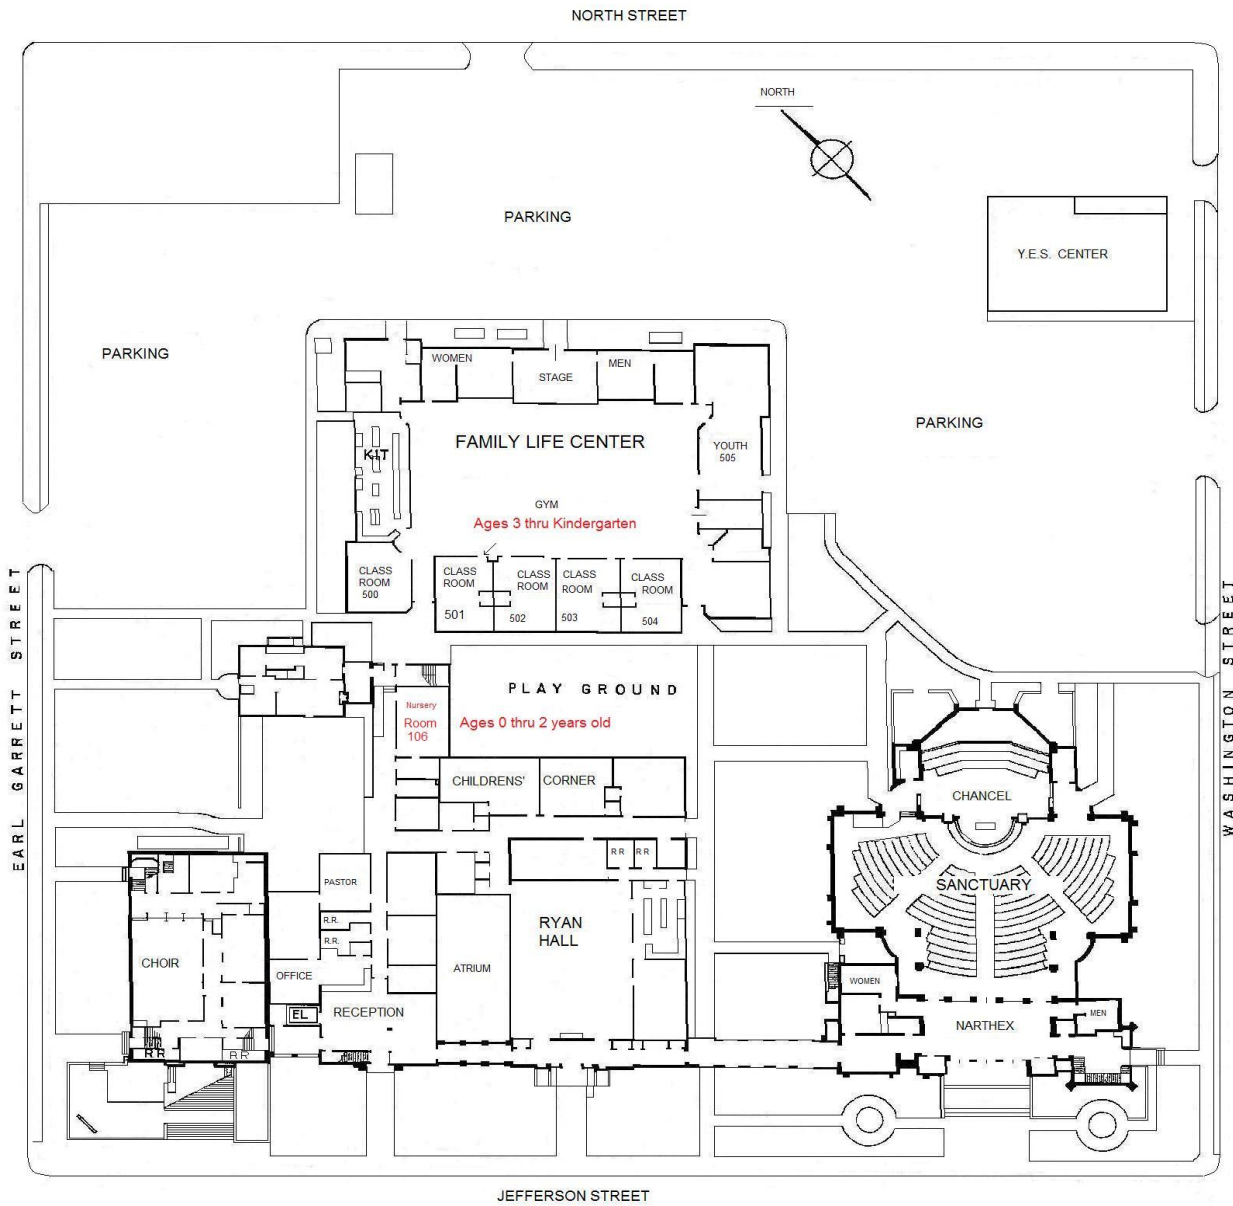

Many of our younger children attend services until after the Conversation with Children section of the worship service. A member of the childcare staff will meet these children in the Narthex and take them to the appropriate room for extended care. Ushers should be prepared to assist in that task as needed. In the absence of a member of the childcare staff to perform that duty at the end of the Conversation with Children Usher Team Captains should be prepared to perform that task.

Parents of children who are crying or otherwise disturbing the service should be informed that the Bride's Room, located on the West side of the Narthex, is available for their use. The sound system provides the opportunity for parents to hear the service while in the Bride's Room.

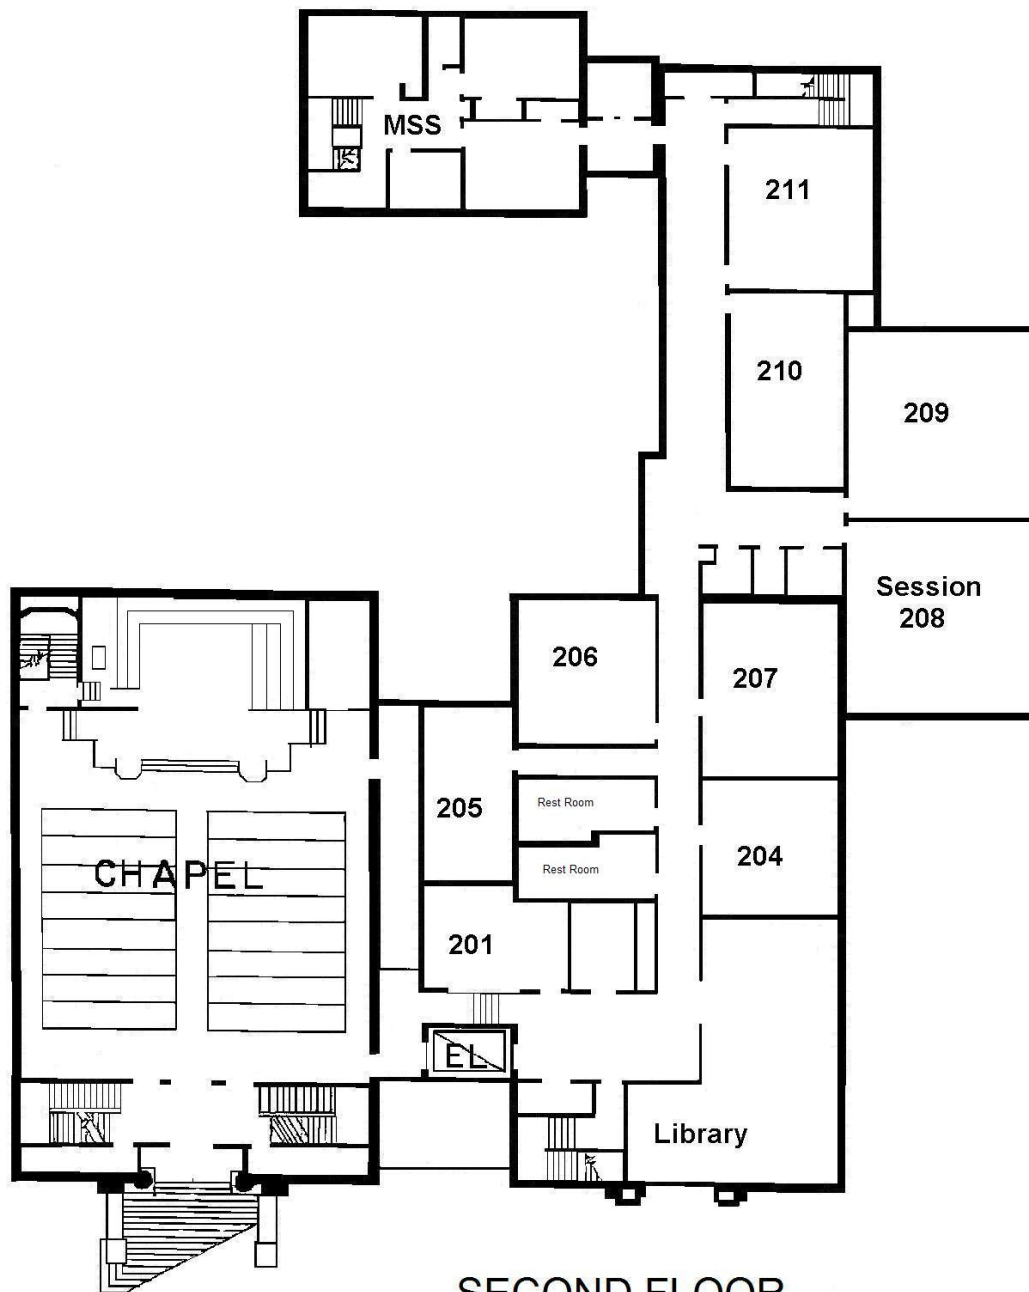

For Youth Inquiries: A Contact Card should be filled out and given to Emily McAllister, Director of Youth & Young Adult Ministry, who will contact their youth.

OUR CHARGE

“Do not neglect to show hospitality to strangers, for thereby some have entertained angels unawares.” (Hebrews 13:2)

**DECLARATION OF OPERATION
YOUTH EDUCATION SUPPORT CENTER (YES)**

The YES Center is a local community outreach activity sponsored by the First Presbyterian Church of Kerrville TX located at 800 Jefferson Street. It has been in operation since 1999.

The goal of the YES Center is to provide a supportive after school mentoring environment for tutoring in mathematics and language arts for selected 4th – 5th graders of the Kerrville Independent School District. Currently, support is provided to nominated students from Tom Daniels Elementary School and available to others who apply. The Center functions during the school year, following the KISD calendar.

The Center is located in a dedicated building separate from the other church buildings and functions. The church owns and maintains the building.

The Center's program is administered by a director who periodically meets with school teachers. The teachers refer a maximum of 20 students that would benefit from the YES program. A joint agreement of the teacher, student, parents and director is required to begin, and the student signs a behavioral contract.

The tutors are volunteers from the community, both members and non- members of the church. They may volunteer up to four days a week. The director is there daily to administer all student and volunteer activities. The director develops the tutoring curriculum in conjunction with the teachers. Background checks of volunteers are made for all tutors.

The Center has no religious teaching or religious programming activities, except 'by example'.

The YES Center receives the students at about 3:30 p.m. (dependant on school release time) and they are released after 5:00 p.m., four days a week (M-Th). Transportation is the responsibility of the student's family. The students sign in on arrival, have a snack and socialize to relax prior to receiving two sessions of tutoring, one in math the other in English/reading. Each student typically attends twice weekly. Each student's progress is noted daily by the tutor, and at completion the students are released to a parent or designated guardian.

The director is a part-time church employee, with salary paid by the church as allocated in the personnel budget from the dedicated YES operating fund. The Center operating budget is funded by designated contributions, occasional rummage sales, and grants with a designated budget line item in the overall church budget. The director also manages the budget available for materials and supplies, student snacks, and other miscellaneous expenses.

The general operation and oversight of the Center is guided by the YES subcommittee. The subcommittee meets periodically with the director to review the YES Center's operation, goals, and possible changes to the program. The subcommittee provides periodic representation reports into the Missional Outreach Committee of the Mission and Outreach Ministry Area of the session. The subcommittee membership may vary dependent on need and availability.

Revision notes: General wording changes and reflection of focus on 4th and 5th grades and oversight within Missional Outreach session committee.
